AMES Way

Brush and Compost Pile

Local (free) Recycling

- **Textile Recycling-** *please note textiles are banned from entering trash in Massachusetts effective November 22*
 - *Every year, 25 billion pounds of textiles are thrown away in the United States. 45% of these textiles can be reused, 30% can be turned into wiping cloths, and 20% recycled into new products. Turning this problem around can start in your community with recycling bins.*
 - **Bay State Textiles-** <https://www.baystatetextiles.com/>
 - The following items are accepted in the Bay State Textile Bins:
 - Shoes
 - Clothes (any condition)
 - fabric scraps
 - Go to the website for a complete list.
 - **Bay State Textiles bins are at the following locations in Hanover:**
 - Hanover Middle School
 - Cedar School
 - Hanover Transfer Station

Additionally, revenue to the town is collected from this program.

- **Plastic Bags and Film** *Grocery bags, plastic film that you would find encasing toilet paper*
 - can be recycled at most grocery stores including the following places locally:
