Journal of the Annual Town Meeting Held on Monday, March 1, 1971

The Annual Town Meeting at the Hanover High School was called to order by George H. Lewald, Moderator at 8:15 P.M. on Monday, March 1, 1971 with 703 voters present.

Reverend Robert L. Jones offered the invocation which was followed by a pledge to the flag.

The Moderator asked that the Town Clerk record that the warrant had been served and returned as required by the Town By-Laws.

Mr. Edward R. Hammond, Jr., Chairman of the Board of Health moved that a committee consisting of John Thomson, Ralph C. Briggs and R. Irving Lovell be appointed to bring in resolutions on the death of John Henry White. The motion was duly seconded and the committee appointed by unanimous vote.

The following resolution was presented and adopted by rising vote.

RESOLUTION ON THE DEATH OF JOHN HENRY WHITE

WHEREAS: The Town of Hanover having suffered the loss of one of its most highly respected citizens,

JOHN HENRY WHITE

Born May 15, 1901

Departed January 11, 1971

it is fitting and proper that we, in Town Meeting Assembled, recognize his long and distinguished career as a public servant, and

WHEREAS: He served as the Agent of the Board of Health for six years, and

WHEREAS: He served thirty-eight years as a firefighter in Engine Company No. 1, twenty years of which he served as Deputy Chief, and

WHEREAS: He served for eleven years as a member of the Planning Board, and

WHEREAS: He served for eight years as a member of the Advisory Board, and

WHEREAS: He discharged his duties and responsibilities with great integrity and fidelity, and

WHEREAS: The Town of Hanover has lost a loyal citizen, a faithful public servant and a true friend, now therefore

BE IT RESOLVED: That the Citizens of the Town of Hanover in Town Meeting Assembled do hereby publicly express their appreciation of the honorable and faithful service he rendered in their behalf for so many years and that this resolution be incorporated in the Records of the Town Clerk and a copy thereof suitably attested be presented to his family.

A true copy attest
Ralph D. Washburn
Town Clerk

Signed: John Thomson, Chairman
Ralph C. Briggs
R. Irving Lovell

RESOLUTION COMMITTEE

ARTICLE 1.

To see if the Town will accept the reports of the officers and committees as printed in the Town Report, or take any other action relative thereto.

VOTED: That the reports given be accepted as reports of progress or as indicated.

ARTICLE 2.

To hear the reports of the Committees and act thereon, or take any other action relative thereto.

The following reports were presented:

REPORT OF THE TOWN GARAGE BUILDING COMMITTEE

This Committee was appointed under the provisions of Article 64 of the Annual Town Meeting of 1970, said committee to bring in plans, specifications and costs for erecting and equipping a pre-fabricated garage-type building to be used by the Highway Department and the Tree Department, to be located on the present Dump site.

This Committee, after being appointed late in the year, met on several occasions to discuss and plan this garage. It is our opinion that a garage eighty (80) feet by one-hundred (100) feet would be required to house the present equipment operated by the Town of Hanover Highway and Tree Departments. This size garage would provide ample space to handle future equipment acquired over the next six or eight years. A garage of this size would cost approximately \$65,000 to \$70,000 if built in 1971.

The present dump site was the only location which we could consider due to the provisions of Article 64. It now appears that this site is not the most desirable for the construction of a Town Garage due to the following reasons:

1. The uncertain use of this land for the town's disposal area.
2. The outside storage of salt and sand with the resulting drainage of polluted rain water into the Broadway water wells.
3. The unfavorable use of filled land for construction.

Due to these unfavorable conditions, we request that this report be accepted as a final report with the recommendation that this Committee be re-established by a future Town Meeting to consider other parcels of town-owned land.

Signed:

ROBERT L. KIMBALL, Chairman
PAUL W. SCHRADER, Clerk
FRANKLIN AMES
ALBERT M. FARR
ALBERT E. HAWKINS, JR.

REPORT OF THE LIBRARY ADDITION COMMITTEE

The Hanover Library Addition Committee reported to the 1970 Town Meeting that it was ready to make its final report, but had to wait until an audit had been completed by the proper federal authority. The awarding authority has since made a favorable report, the Committee has filed with Massachusetts Department of Library Extension an inventory of equipment purchased for the addition and it has paid all outstanding obligations, leaving over \$20,000 of the appropriation to be returned to the town treasury.

The Committee wishes to thank former members Sonia Thomas, Charles Adams, Wallace Kemp and George Lewald for their services; and they extend their appreciation to Hanover town offices and departments for their helpful assistance in carrying out this project.

The Library Addition Committee has voted to ask the 1971 Hanover Town Meeting to accept this as a final report and to vote to discharge the committee.

Respectfully submitted,

Signed:

PORTER W. THOMPSON, Chairman
MRS. SUMNER SAPIRO, Secretary
MRS. A. DONALD DELUSE
RICHARD DeMARANVILLE
FANNY H. PHILLIPS
G. ARTHUR SMITH
BERNARD G. TIRRELL

REPORT OF THE TOWN GOVERNMENT STUDY COMMITTEE

The Town Government Study Committee was appointed pursuant to Article 61 of the 1970 Annual Town Meeting. The Committee was appointed

“ . . . to study the Town Departments and government to determine and report whether a reorganization of the Highway, Cemetery, Water, Playground, and Tree Departments and or other departments should be made and reformed under one department

of Municipal Services, with such department to be under the direction of the Board of Selectmen who shall employ a Town Engineer to supervise and co-ordinate the activities of this department as well as service other departments . . . ”

During the year, the Committee undertook a survey of the personnel, equipment and activities of the various town departments. This was accomplished through the circulation of questionnaires among the several departments and by meeting at length with representatives of the principal departments which would be materially affected by any resulting town reorganization.

The Committee solicited the views of representatives of the selectmen, the advisory committee, the several town departments which might be affected by any reorganization, and the Massachusetts League of Cities and Towns.

In carrying out the task assigned it under Article 61, the Committee considered the several alternatives available to the Town under the Constitution and General Laws of the Commonwealth and the Acts and By-Laws of the Town. These included 1) a Charter Commission to study and recommend changes in the Town's organization (the 1966 Home Rule Constitutional Amendment permits towns to reorganize without special legislation using the Charter Commission procedure); 2) a Department of Public Works; 3) an Executive Secretary to the Selectmen; and 4) a Town Engineer.

The Committee reached two basic conclusions. First, the Committee unanimously agreed that the several independent town departments responsible for the maintenance of town facilities (excluding the school, fire and police departments) should be consolidated in a single department administered by a full-time supervisor with at least some engineering expertise. Second, it was the unanimous opinion of the Committee that such reorganization should be accomplished through the creation of a Department of Public Works under relatively simple statutory procedures rather than through a revision of the Town's Charter by means of the complicated and extensive Charter Commission procedure.

The General Laws of the Commonwealth permit the Town to establish by ballot vote a Department of Public Works which would combine under a three-man commission and a full-time supervisor the duties of the Highway Surveyors, Tree Warden, Cemetery Commissioners and Water Commissioners. In addition to replacing such elected Town officers, a Department of Public Works could by separate town meeting action be assigned responsibility for refuse disposal, building maintenance, drainage projects, playground maintenance and any other task reasonably related to the basic responsibilities of the Department.

The Town Government Study Committee has placed before the 1971 Town Meeting Article 62 on the Warrant to place the question of establishing a Department of Public Works on the ballot for the 1972 Town Meeting. Article 62 is not a vote on the question of establishing a Department of Public Works. It is simply the Town Meeting vote which is a prerequisite to placing before the people in 1972 the question of establishing a Department of Public Works in 1973. The Town Government Study Committee asks that the Town vote in favor of Article 62.

The Committee proposes to continue its work during the coming year to study the organizational and operational experience of Departments of Public Works of other communities and to prepare specific recommendations for the 1972 Town Meeting. For this reason, the Committee asks the Town Meeting to accept this as a report of progress.

Signed:

CARY P. CLARK, Chairman
JAMES A. MCKENNA, Secretary
S. FRANKLIN AMES
TURNER W. GILMAN
FRANCIS J. MITCHELL

REPORT OF THE JUNIOR HIGH SCHOOL BUILDING COMMITTEE

Following the approval of the project at the Annual Meeting of 1970 contracts for construction were awarded to Rocheford Construction Co. of Natick. Work was started in April and the contract calls for completion in December, 1971.

As of the first of February construction is approximately 43 per cent complete. This is about 8 per cent behind schedule due to the extremely severe winter. However, it is anticipated that this time will be made up during the spring and summer months.

Bids for fixed equipment have been received and contracts awarded at prices within budget allowances. Schedules of moveable equipment and furnishings are being prepared for bidding in the near future.

Cooperation of all concerned with the project has been excellent and the Committee feels that the project is proceeding in an extremely satisfactory manner.

JUNIOR HIGH BUILDING COMMITTEE

Signed:

JOHN T. THOMSON, Chairman
RALPH L. HADLOCK
RICHARD J. DALEY
JOHN J. McLAUGHLIN, JR.
DONALD L. MORRISON

REPORT OF GOLF COURSE STUDY COMMITTEE

The Municipal Golf Course Study Committee is still unable to make a final report to the Town. The economic feasibility of having a Municipal Golf Course is dependent on several things currently under study, including availability of land, cost to the town, and methods of finance. Inasmuch as these factors have not been completely evaluated and that the study committee must be reorganized due to resignations, we ask that this be accepted as a report of progress.

RICHARD ERICKSON
Secretary

REPORT OF THE HANOVER HISTORIC DISTRICT STUDY COMMITTEE

This Committee was appointed in 1970 by the Board of Selectmen as specified by Chapter 40C of the General Laws of the Commonwealth. It has conducted a preliminary survey of the town and found several areas and individual sites which, in our opinion, meet the requirements to qualify as Historic Districts or Sites. In particular, this committee has singled out the Four Corners area as the most logical and priority first step in a long-range program. An informal public meeting was held on this area and a formal preliminary report was prepared to meet the statutory requirements. It was hoped that a definitive plan of action could be presented at this Town Meeting for consideration this year. This has not been possible since State law requires more work than could be accomplished in the short time available. It is now planned to have a comprehensive article in next year's warrant for your consideration at that time.

The Historic Districts Act provides a logical, fair means of preserving our architectural heritage in specific areas and gives property owners ample protection and considerable leeway in retention of their rights and privacy. This committee is well aware that a small number of voices have been raised in adamant and sometimes strident objection. We believe these are based on emotional reactions rather than logical reasoning. In any event, it is not this committee but you the voters of this town who must initiate any Historic District or Site. The law requires a two-third majority of the Town Meeting for approval. We hope this majority may be secured when all the facts are laid before you. In any event, it is simply impossible for this committee or any town official or body to decree or impose such action without the overwhelming support of all our citizens.

We urge all of you who can see the value in preserving some of our past for the benefit of future generations to contact any member of this committee and offer your encouragement and support. May we conclude this report of progress by quoting in part

from the Preliminary Report of this committee as prepared for the public meeting held in December:

If there is one quality which distinguishes our historic structures in Hanover, it is **durability**. They built to last both in time and in taste. They are aged but ageless. The greatest enemy they had in days gone by was fire. The greatest enemy they face today is the thoughtlessness and selfishness of man. In an era when mankind is beginning to see the dangers of pollution and waste, can we hope that some citizens living in a Town named Hanover will have the foresight, imagination and determination needed to save our precious structures for future generations to admire and, hopefully, revere. To let such areas as Four Corners go the way of so many other villages would be pollution of a most deadly character. To save it requires a little wisdom and a modicum of courage. To lose it requires but a small measure of apathy and a generous dose of insensitivity. This Committee most urgently and earnestly asks the citizens of Hanover to take a closer look at what we have . . . and what we can lose; and we ask your support and interest in this effort that asks no personal gain for anyone but can reward us all beyond measure.

Respectfully submitted,

JOHN W. BEAL
MATTHEW E. CARDOZA
JEANNIE M. GRAHAM
HAROLD L. GREENE
JOHN A. LIBERTINE
FLORENCE V. OLDHAM
FANNY H. PHILLIPS

REPORT OF ELEMENTARY SCHOOL ADDITION COMMITTEE

Work on the addition to the Cedar School reached substantial completion on 16 March, 1970, and the additional classrooms received students shortly thereafter.

The Committee believes that the building has fulfilled expectations in all major respects. A number of problems continue to be the subject of discussion between the committee, the architect and the general contractor, the major one of them being concerned with the adequacy of heat delivered to certain classrooms during periods of extreme cold. The architect and heating engineer express confidence that the system is properly designed and needs only appropriate adjustment to function within acceptable limits. The Committee will receive further reports at their next meeting. Town Counsel has been made a party to these discussions in order that the interests of the town may be protected.

The Committee asks that this be accepted as a report of progress.

Respectfully submitted,

Signed:

GEORGE H. ABBOT, Chairman

GEORGE R. BABINEAU

ALICE FIRTH

RONALD F. LEARY

RONALD MacMILLAN

REPORT OF PROGRESS OF THE CONSERVATION COMMISSION

May we indulge a few moments of your time, to point out a few things about our Conservation Commission that really can not be put into a written report.

We have been directing our efforts in the following ways because; 1. Green belt, and open space land is fast disappearing. 2. We must buy when it is available at a fair price. 3. We solicit free land at any time, and friends of Conservation are urged to contact us at your convenience.

Your Commission is exhausting all available methods of acquiring open space; that is, by gifts, transfer of tax titles, and out right purchase.

(At this point a map showing conservation properties was projected on the wall).

Under the care, custody and control of the Conservation Commission the 161 acres include what is shown here on the map. Notice the Green Belt area beginning to take shape.

With this map we are explaining the reasons for articles 64, 65, 66, and 67. Thereby giving visible evidence of what has been accomplished.

At this time we direct your attention to the Indian Head Site at the head waters of the North River. This is located in the South East corner of our Town, just off Elm Street. It is in this area that a new Fish Ladder has been constructed. This was done in conjunction with the Division of Marine Fisheries and the Town of Pembroke Conservation Commission. This ladder will not only accommodate Herring, of which the area is renowned, but also Shad. It is noted at this point that we have here in our Town, one of the two remaining rivers left in our State that Shad will spawn in.

Also we ask that you watch the local papers for times and dates for the stocking the Coeho Salmon, in this same area. Our meetings are held on the Second Tuesday of every month, in the Town Hall, and friends of Conservation are always welcome.

At this time we wish to thank all the Departments and agencies of Hanover for their valuable assistance during the past year.

Respectfully submitted,

**DONALD J. ROGERS, Chairman
RICHARD BRADFORD
EDGAR PACKARD
LEANDER NICHOLS
KATHERINE TOWNSEND
RALPH HADLOCK
FRANK CERVELLI**

REPORT OF CONTINUING SCHOOL BUILDING STUDY COMMITTEE

Six meetings have been held since September.

We have made an extensive "School enrollment project study," noting that an estimated 6½ to 7 per cent annual increase in school population is expected.

The alternative of almost immediate additional school construction would be dramatic changes in the school calendar. This must be considered by the townspeople, and hence our committee, in weeks and months to come.

We are attempting to form a sub-committee, to study the possible economics resulting from a re-scheduled school year, and to later report back to the townspeople.

Any interested citizen, whether a member or not, is invited to attend the next and succeeding committee meetings, which will be preparing articles for a future Town Meeting Warrant, regarding additional school facilities.

We urge any civic groups not now represented on our committee, to apply for representation, so as to have a greater cross-section of involvement.

Thank you,

JOAN SHEEDY, Chairman

The Moderator called for reports from other committees including the Drainage Committee and explained that any committee that did not make a report would be automatically discharged. On motion duly made and seconded it was voted to accept these reports and to extend the life of the Drainage Committee.

Mr. Deluse, Chairman of the Advisory Committee requested and obtained permission to make the following statement.

Your Advisory Committee wishes to bring you up to date. Since the final preparation of the Advisory Committee's report, the State Department of Public Health has ordered that the existing dump site must be closed and under no circumstances may open burning take place. This has caused a hurry up survey and study to take emergency steps to insure a refuse disposal facility. It will therefore be necessary to amend the Health and Sanitation Budget. This in-

crease has to be held to the lowest possible amount for temporary operation until a permanent solution may be proposed.

Some success may be claimed in having the School Committee reduce their budget from the first proposed by nearly \$100,000. This was accomplished by joint efforts on the part of the School Committee and your Advisory Committee. Even so, with the increase in population, Kindergarten, preparing for the new school building and inflationary increases, the school budget has increased substantially in dollars.

In an effort to hold the tax rate increase as low as possible, E & D funds have been recommended to be used. The single largest recommendation is \$175,000 to be applied to the principle payment of School Bond issue.

If all the recommendations are followed, we estimate an increase of \$10.00 on our rate based upon the factors we have to work with as we enter this Town Meeting. There are articles that are contained in the warrant that if passed can mean substantial expenditures in the next couple years. Your Advisory Committee has endeavored to recommend reductions in expenditures and passing over of the articles without impeding the services to you the voters.

These recommendations are based upon economic reasons the facts presented in support of or the lack of facts by the various proponents.

The moderator explained the function of the Advisory Committee for the benefit of new voters in the town and introduced the members of the committee.

ARTICLE 3.

To see if the Town will vote to fix the pay of its elective officers as required by law or take any other action relative thereto.

VOTED: That the Town fix the pay for its elective officers as recommended under this Article of the Advisory Committee Report and that such pay be retroactive to January 1, 1971.

GENERAL GOVERNMENT

Selectmen: Each Member	\$1,200.00 per year
Assessors: Each Member	1,200.00 per year
Town Clerk	5,500.00 per year
Town Treasurer	6,800.00 per year
Town Collector	6,900.00 per year
Highway Surveyor	11,200.00 per year
Moderator — Annual Meeting	75.00 per Mtg.
Moderator — Special Meeting	25.00 per Mtg.
Tree Warden	3.70 per hr.
Board of Health	2.50 per hr.

ARTICLE 4.

To see if the Town will vote to amend the classification and salary plan of the Town by deleting, in their entirety, Section 19a and 19b of said plan relative to the classification of positions and the pay schedules and inserting therein the following classifications of positions and pay schedules, or take any other action relative thereto.

Personnel Board

VOTED: That the Town adopt a revision of the Personnel By-Law as follows:

ARTICLE 5.

To see if the Town will vote to amend the Hanover Personnel By-Laws by deleting paragraph "9. NEW PERSONNEL" and to substitute therefore the following:

9. NEW PERSONNEL AND NOTIFICATION OF VACANCIES

A. New employees shall start at the minimum of the pay schedule for the job classification, except that on the recommendation of the department head and approval of the Personnel Board, employment in like position outside of town employment may be considered for a higher step rate.

B. The Personnel Board and the Town Clerk of Hanover shall be notified in writing by the head of any department covered under this by-law at least 7 days prior to occurrence of any vacancy in said department for any full-time employee. Notification of said vacancy, including department, job description, and hourly rate of pay, shall be posted by the Town Clerk on the Bulletin Board in Town Hall and at the Selectmen's office within 3 working days from receipt of said notification by the Town Clerk from the head of the department.

Personnel Board

VOTED: That the Town adopt this revision of the Consolidated Personnel By-Laws as proposed.

ARTICLE 6.

To see if the Town will vote to amend the Hanover Personnel By-Laws by deleting paragraph 10 A, sub-paragraph 3 and to re-number sub-paragraph 4 to 3 or take any other action relative thereto.

VOTED: That the Town adopt this revision of the Consolidated Personnel By-Laws as proposed.

ARTICLE 7.

To see if the Town will vote to amend the Hanover Personnel By-Laws by deleting paragraph 11, sub-paragraph (d) and to redesignate sub-paragraph (e) to (d) or take any other action relative thereto.

Personnel Board

VOTED: That the Town adopt this revision of the Consolidated Personnel By-Laws as proposed.

ARTICLE 8.

To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town charges for the current year, or take any other action relative thereto.

Police Chief, David Zwicker, moved that the item of "Police — Payroll" as appearing under the heading "Protection of Persons and Property" be amended by striking out the recommended sum of \$165,349.00 and inserting in place thereof the sum of \$180,417.50 in order to provide for the employment of two new sergeants and two new patrolmen in addition to those recommended by the Advisory Committee. After considerable discussion a vote was taken resulting in the defeat of the amendment.

Mr. Edward J. Norcott moved that the item "Police — Payroll" be amended by increasing the amount by \$11,150.68 to provide for two new patrolmen.

A vote on the amendment resulted in its defeat.

VOTED: That the Town do raise and appropriate or appropriate from available funds, such sums of money to defray Town charges as follows, each item to be considered as a separate appropriation and such appropriation be expended for that purpose only.

A motion to Reconsider ARTICLE 8 was defeated.

ARTICLE 9.

To see if the Town will authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer when appointed Collector may use, or take any other action relative thereto.

VOTED: That the Town do so.

ARTICLE 10.

To see if the Town will vote to authorize its Treasurer, with the approval of the Selectmen, to borrow on or after January 1, 1972 in anticipation of revenue of 1972, as provided by law, or take any other action relative thereto.

VOTED: That the Town so do.

ARTICLE 11.

To see if the Town will vote to authorize its Treasurer, with the approval of the Selectmen, to renew or refund any or all of the revenue notes issued in anticipation of the revenue of 1971 in accordance with the provisions of Chapter 44, Section 17 of the Tercentenary Edition of the General Laws, any debt so incurred to be paid from the revenue of 1971, or take any other action relative thereto.

VOTED: That the Town so do.

ARTICLE 12.

To see if the Town will vote to authorize its Treasurer to accept such trust funds as may be placed in her hands during the current year, or take any action relative thereto.

VOTED: That the Town so do.

ARTICLE 13.

To see if the Town will vote to appropriate the sum of \$1,786.46, the sum of the 1970 Dog Tax, to the Trustees of the John Curtis Free Library, said money to be expended under the direction of the Trustees of said Library, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town appropriate the sum of \$1,786.46, the sum of the 1970 Dog Tax, to the John Curtis Free Library Account.

ARTICLE 14.

To receive such accounts as may be presented against the Town, and act thereon, or take any other action relative thereto.

VOTED: That this article be passed over.

ARTICLE 15.

To see if the Town will vote to authorize its Treasurer, with the approval of the Selectmen, to dispose of such parcels of real estate as may have been, or may be taken by the Town under Tax Title foreclosure proceedings, or take any other action relative thereto.

VOTED: That the Town so do.

ARTICLE 16.

To see if the Town will vote to transfer the following unexpended balances to the E and D Account: Police: New Cruisers \$5.00; Fire: Hose \$13.00; Tree: Brush Chipper \$3.00; Replace Fire Base Station Radio \$16.70; Mosquito Control \$188.40; Stream and Brook Clearance \$10.40; Cemetery: New Lawn Mower \$19.50; and to transfer the following unexpended balances to Water Surplus Revenue: New Truck \$276.40; Water Main — Plain Street \$408.14; Water Main — West Avenue \$146.89.

VOTED: That the Town so do.

ARTICLE 17.

To see if the Town will vote to raise and appropriate, or appropriate from any available funds in the Treasury, a sum of money to be added to the Stabilization Fund created under Article 15 of the 1958 Annual Town Meeting, or take any other action relative thereto.

VOTED: Unanimous that the Town appropriate from the E. & D. Fund, the sum of \$50,000.00 to be added to the Stabilization Fund.

ARTICLE 18.

To see if the Town will vote to raise and appropriate or ap-

appropriate from available funds the sum of \$100.00 for the use of the Plymouth County Aid to Agriculture and choose a director as provided in Chapter 128, Sections 41 and 45 of the Tercentenary Edition, or take any other action relative thereto.

VOTED: That the Town raise and appropriate the sum of \$100.00 for this purpose, and that the Moderator appoint a Director.

ARTICLE 19.

To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach including the Merrimack and Connecticut Rivers, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

VOTED: That the Town so do.

VOTED: At 11:00 P.M. to adjourn and to reconvene in the High School on Tuesday, March 2, 1971 at 8:00 P.M.

RALPH D. WASHBURN
Town Clerk

A true copy. Attest:

Journal for Reconvened Annual Town Meeting March 2, 1971

The Annual Town Meeting was reconvened at the High School on Tuesday, March 2, 1971 pursuant to vote of adjournment on March 1, 1971.

The Moderator, George H. Lewald called the meeting to order at 8:20 P.M. with 390 voters present.

ARTICLE 20.

To see if the Town will vote to rescind the action taken under Article 51 of the Annual Town Meeting held March 2, 1970, or take any other action relative thereto.

Water Commissioners

VOTED: That the Town so do and transfer the monies appropriated for that purpose to the Surplus Water Account.

ARTICLE 21.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the cost of engineering services for preparation of final plans and specifications for a Water Treatment Plant, including water treatment equipment, pumping equipment, connecting water mains and appurtenances, on land now owned by the Town of Hanover adjacent to the existing pumping stations on Pond Street; and to determine what sums shall be raised by appropriation from available funds, by taxation and by borrowing under authority of Chapter 44 of the General Laws (Ter. Ed.) as amended, or take any other action relative thereto.

Water Commissioners

Mr. John Thomson explained in some detail the reason and purpose of this article.

On motion of the Advisory Committee, 271 votes being cast in the affirmative and 14 in the negative, it was voted that the Town appropriate \$50,000.00 for the cost of engineering services for preparation of final plans and specifications for a water treatment plant including water treatment equipment, pumping equipment, connecting water main and appurtenances on land now owned by the Town, adjacent to the existing pumping station on Pond Street; to meet said appropriation the sum of \$5,000.00 is hereby appropriated from Water Revenue Account of 1971. The Treasurer with the approval of the Selectmen is authorized to borrow the sum of \$45,000.00 by issuing Bonds or Notes therefor to be paid within five

(5) years from the date of issue as authorized by Chapter 44 of the General Laws (Ter. Ed.) as amended; and that said project shall be carried out under the direction of the Board of Water Commissioners which is hereby authorized to enter into all contracts and agreements in connection therewith and to make application for and accept any federal or state money which may be allocated to reduce the cost of the project and to expend same as required.

ARTICLE 22.

To see if the Town will vote to raise and appropriate a sum of money for construction of a two million gallon capacity standpipe, telemetering control system, connecting water mains and appurtenances all to be on town-owned land adjacent to the Union Street Standpipe and an underground valve vault and automatic altitude valve all on town-owned land adjacent to the School Street Elevated Tank; and determine whether the money shall be provided by taxation, by appropriation from available funds or by borrowing, or take any other action relative thereto.

Water Commissioners

VOTED: It was unanimously voted that the town appropriate the sum of \$260,000.00 for the construction of a two million gallon capacity standpipe, telemetering control system, connecting water mains of 12" and 16" diameter and appurtenances all to be on town-owned land adjacent to the Union Street Standpipe and an underground valve vault and an 8" automatic altitude valve all on town-owned land adjacent to the School Street Elevated Tank; and to meet said appropriation for the new standpipe the sum of \$3,212.75 is hereby appropriated from the New Water Tank Account, \$9,787.25 is appropriated from the Water Revenue Account and the Treasurer with the Approval of the Selectmen is authorized to borrow the sum of \$232,000.00 by issuing bonds or notes therefor to be paid within seven (7) years from the date of issue as authorized by Chapter 44 of the General Laws (Ter. Ed.) as amended and for the underground valve vault and 8" automatic altitude valve the sum of \$15,000.00 is appropriated from the Water Revenue Account; and that said projects shall be carried out at the direction of the Board of Water Commissioners which is hereby authorized to enter into all contracts and agreements in connection therewith and to make application for and accept any Federal or State money which may be allocated to reduce the cost of the project and to expend same as required.

ARTICLE 23.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the purpose of purchasing or taking by eminent domain, for the purpose of a Water Supply, a parcel of land shown as Lot A on a plan, a copy of which is on file at the Water Commissioners' Office in the Town Hall, en-

titled, "Plan of Land, Pond Street, Hanover, Massachusetts" prepared for the Hanover Water Department, scale 100 feet to an inch, August 6, 1970, Perkins Engineering, Inc., Rockland, Massachusetts and bound and described as follows:

Beginning at a point at the Southeast corner of said lot as shown on said plan;

thence, Northerly 434.31 feet along Pond Street to a concrete bound as shown on said plan;

thence, turning and running Westerly 300.31 feet to a concrete bound as shown on said plan;

thence, turning and running Southerly 215.14 feet as shown on said plan;

thence, turning and running Southeasterly 354.53 feet as shown on said plan to the point of beginning.

Said Lot A contains 97,079 square feet.

Water Commissioners

VOTED: That this Article be passed over.

ARTICLE 24.

To see if the Town will vote to raise and appropriate from available funds a sum of money for the purpose of construction, installation and originally equipping a well or wells for public water supply on town-owned land or land acquired for that purpose, said construction to include pumping station buildings or underground vaults, control stations and or vaults, necessary accessory pumps and appurtenances, connecting water mains and valving, construction of access roadways as necessary and including necessary engineering fees; all to be done under the direction of the Board of Water Commissioners; and to determine whether said appropriation shall be met in whole or in part by borrowing under the provisions of General Laws (Ter. Ed.) Chapter 44 and any amendments thereto, by taxation, or by appropriation from available funds or take any other action relative thereto.

Water Commissioners

VOTED: That this Article be passed over.

ARTICLE 25

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the cost of engineering services to make a study of and develop a specification and program for purchasing and installing water meters, obtaining firm bids for the purchase and installation of meters and making a report and recommendations to the next Annual Town Meeting, or take any other action relative thereto.

Water Commissioners

VOTED: That the Town appropriate \$5,000.00 from the Water Revenue account for this purpose.

ARTICLE 26.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$9,000.00 for the purpose of installing approximately 1,000 feet of 10" Cement Asbestos Water Pipe on Plain Street to reinforce the present line, or take any other action relative thereto.

Water Commissioners

A motion to amend was made that the amount be increased to \$10,000.00 and that 12" pipe be installed in place of 10". This amendment was defeated.

VOTED: Unanimously that the Town appropriate \$9,000.00 from the Water Revenue account for this purpose.

ARTICLE 27.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$6,000.00 for the purpose of cleaning 4,000 feet more or less of the existing unlined cast iron pipe in the distribution system or take any other action relative thereto.

Water Commissioners

VOTED: That the Town appropriate \$6,000.00 from the Water Revenue account for this purpose.

ARTICLE 28.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$3,500.00 to purchase and install a Continuous Chlorine Residual Analyzer and Monitor and Alarm System on the discharge of the effluent of the sewage treatment plant at the Hanover Mall to monitor the operation of that plant and give timely alarm in case of failure and possible pollution of the watershed area, or take any other action relative thereto.

Water Commissioners

VOTED: That this Article be passed over.

ARTICLE 29.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the purpose of purchasing or taking by eminent domain, for the purpose of a Water Supply, the land described herein:

Said 2 parcels to be taken are shown on the Assessors' Map of Hanover as the Northeasterly corner of Lot 12, Plan 24, and the Easterly portion of Lot 16, Plan 24, and the combined 2 parcels are bounded and described as follows:

Beginning at a point at the Southeast corner of Lot 18 as shown on said Plan;

thence Northwesterly 500' more or less as shown on said Plan,

thence Northwesterly again 575' more or less as shown on said plan,

thence Northerly 1150' more or less as shown on said plan,

thence Southeasterly 40' more or less as shown on said plan,

thence Northeasterly 140' more or less as shown on said plan,

thence Easterly 325' more or less as shown on said plan,

thence Southerly 275' more or less as shown on said plan,

thence Southerly 75' more or less as shown on said plan,

thence Southwesterly 325' more or less as shown on said plan,

thence Southerly 225' more or less as shown on said plan,

thence Easterly 310' more or less as shown on said plan,

thence Southerly 810' more or less to the point of beginning; as shown on said plan.

Said 2 parcels are outlined in red on a Plan on file in the Water Commissioners' Office.

By the Water Commissioners

VOTED: That this Article be passed over.

ARTICLE 30.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to convert the obsolete pump room at the old Pond Street Pumping Station into a garage and equipment storage area and make the consequent changes in the existing utility facilities or take any other action relative thereto.

VOTED: That this Article be passed over.

ARTICLE 31.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the cost of construction of a Water Treatment Plant including buildings, equipment, controls, pumps, valves, water mains and necessary appurtenances on town-owned land adjacent to the Pond Street pumping stations; and to determine what sums shall be raised by appropriation from available funds, by taxation and by borrowing under the authority of Chapter 44 of the General Laws (Ter. Ed.) as amended, or take any other action relative thereto.

Water Commissioners

VOTED: That this Article be passed over.

ARTICLE 32.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the purpose of purchasing or taking by eminent domain, for the purpose of a Water Supply, the land described herein: Several parcels of land shown on

Plan 73 of the Assessors' Maps of Hanover and bounded and described as follows:

Beginning at a point at the Southwesterly corner of Lot 18, as shown on said plan,

thence Northerly 160 feet more or less as shown on said plan,

thence Easterly 50 feet more or less as shown on said plan,

thence Northerly by 2 courses, 470 feet more or less and 225 feet more or less as shown on said plan,

thence Southeasterly 150 feet more or less as shown on said plan,

thence Northeasterly 155 feet more or less as shown on said plan,

thence Northerly 125 feet more or less as shown on said plan,

thence Northeasterly 660 feet more or less as shown on said plan,

thence Southerly 1250 feet more or less as shown on said plan,

thence along Indian Head River to a point of beginning as shown on said plan.

Said several parcels are shown on a Plan on file in the Water Commissioner's Office.

Board of Water Commissioners

VOTED: That this Article be passed over.

ARTICLE 33.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the purpose of remodeling the room in the basement of the John Curtis Free Library formerly used as the children's library, or take any other action relative thereto.

Trustees, John Curtis Free Library

It was reported that Article 33 had been withdrawn at the request of the Library Trustees. The Library has received a bequest of \$2,000.00 from the Estate of Dr. Hatfield and it is hoped that this money will be used for the remodeling of the old Children's Library in his memory.

VOTED: That this Article be passed over.

ARTICLE 34.

To see if the Town will vote to appropriate, as one sum, for the use of the Trustees of the John Curtis Free Library, the sum of \$1,480.75 now in the E and D account, representing receipts from State Assistance to that Library during the year 1970, or take any other action relative thereto.

Trustees, John Curtis Free Library

VOTED: That the Town appropriate the sum of \$1,480.75 for the John Curtis Free Library Account.

ARTICLE 35.

To see if the Town will vote to amend the Zoning By-Law to specifically exempt municipal uses from its provisions by adding the words "for any municipal purpose" in sub-paragraph G of Section VI, thus making that sub-paragraph read:

G. General Provisions:

In all districts, nothing in this by-law shall prohibit or limit the use of land for any municipal purpose, for any church or other religious purpose, or for any educational purpose which is religious, sectarian, denominational or public.

Selectmen

The following report was filed by the Planning Board.

A public hearing on this proposed zoning revision was held February 17, 1971, in accordance with all statutory provision.

Statutes and Court Decisions in Massachusetts do not appear to have determined whether a municipality, such as Hanover, must comply with its own Zoning By-Laws, although religious and educational uses are specifically exempted. This proposal was designed to avoid the possible inconvenience, delay and large expense of law suits which might arise in the future.

Those present at the Public Hearing were overwhelmingly opposed to this zoning change in its present form for many reasons, many reflecting apprehension over particular possible projects. The most objective criticism appeared to be that, were this change approved, a simple majority at a future Town Meeting — or even an individual member of Town Government — might be able to initiate a project that could otherwise be subject to a two-thirds vote of a Town Meeting.

In view of the substantial opposition expressed to the article as now worded, the Planning Board, by a majority vote, recommends that it NOT be adopted. It would, however, be acceptable if amended to provide that the municipal projects to be exempted were those which had received a two-thirds vote of approval at a Town Meeting.

HANOVER PLANNING BOARD
TURNER W. GILMAN, Chairman
JOHN A. LIBERTINE, Clerk
ROBERT L. KIMBALL
JOSEPH J. ZEMOTEL
FRANKLIN N. MEISSNER

VOTED: That this Article be passed over.

ARTICLE 36.

To see if the Town will vote to establish a three-man committee to investigate the acquisition of the land and former main office building of the Fireworks Complex owned by Clark-Babbitt Foods, Inc., being Lot 144, Plan No. 60, Assessors' Map of the Town of Hanover and to determine its cost and possible use for Town facilities. Said committee to be appointed by the Moderator and to consist of a member of the Board of Selectmen and two citizens of the Town of Hanover, one of whom shall be an attorney, to report at the next Special or Annual Town Meeting, or to take any other action relative thereto.

Board of Selectmen

VOTED: That the Moderator appoint a three-man committee to consist of a member of the Board of Selectmen and two citizens of the Town of Hanover, one of whom shall be an attorney for this purpose.

ARTICLE 37.

To see if the Town will vote to rescind the following portion of the action taken under Article 28 at an adjourned Annual Town Meeting held on Tuesday, March 3, 1970, quote: "and the sum of \$14,997.09 from the proceeds received or to be received from the State under the provisions of Section 5 of Chapter 768 of the Acts of 1969." This portion of the action taken has been determined to be illegal inasmuch as proceeds receivable under Section 5 of Chapter 768 of Acts of 1969 shall be used only to reimburse the Town for previously approved expenditures.

Town Accountant

VOTED: That this Article be passed over.

ARTICLE 38.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$14,997.09 to provide for an Overdraft in the Chapter 90 Construction of Cedar Street 1970 Account which resulted from elimination of a \$14,997.09 portion of the original appropriation determined to have been illegally appropriated under Article 28 at an adjourned Annual Town Meeting held on Tuesday, March 3, 1970.

Town Accountant

VOTED: That this Article be passed over.

ARTICLE 39.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$24,000.00 for Chapter 90 Highway Work on Cedar Street, or take any other action relative thereto.

Highway Department

VOTED: That the Town raise and appropriate \$6,000.00 and appropriate from available funds the sum of \$18,000.00 for this purpose.

ARTICLE 40.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$3,000.00 for Chapter 90 Maintenance Work, or take any other action relative thereto.

Highway Department

VOTED: That the Town raise and appropriate \$1,000.00 and appropriate from available funds the sum of \$2,000.00 for this purpose.

ARTICLE 41.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$6,000.00 to continue the reconstruction of Plain Street within the present layout, or take any other action relative thereto.

Highway Department

VOTED: That the Town appropriate the sum of \$6,000.00 from available funds for this purpose.

ARTICLE 42.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$20,000.00 to relocate and reconstruct Main Street from Plain Street to Grove Street within the present layout, or take any other action relative thereto.

Highway Department

There was considerable discussion regarding this article referring particularly to anticipated speed if the street is straightened, the desire to retain the curves for the sake of beauty and the protection of the pine tree that has stood by the side of the road there many years.

A motion to appropriate \$20,000.00 from available funds for this purpose was defeated.

A short recess was declared at this point.

A motion to reconsider the vote on Article 42 was defeated.

ARTICLE 43.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$26,000.00 for the purpose of purchasing a new four-wheel drive front-end loader for the Highway Department, said purchase to be made under the direction of the Highway Surveyor, or take any other action relative thereto.

Highway Department

VOTED: That the Town raise and appropriate \$26,000.00 for this purpose.

ARTICLE 44.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$3,000.00 to purchase an automatic sand spreader body to replace the 1957 body we now have, or take any other action relative thereto.

Highway Department

The Advisory Committee moved to raise and appropriate \$3,000.00 for this purpose.

A question was raised as to why the Highway Surveyor did not request the South Shore Vocational High School to build this body at a cost to the Town for material only. After much discussion a motion to amend the motion of the Advisory Committee to \$700.00 was defeated.

VOTED: That the Town raise and appropriate \$3,000.00 for this purpose.

ARTICLE 45.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$100.00 for the purpose of purchasing or taking by eminent domain two drainage easements for a portion of Cedar Street as they are shown on plans filed with the Selectmen's Office, or take any other action relative thereto.

Board of Selectmen

VOTED: Unanimously that the Town raise and appropriate \$100.00 for this purpose.

ARTICLE 46.

To see if the Town will vote to raise and appropriate or appropriate from available funds, a sum of money for the purpose of erecting and originally equipping a pre-fabricated garage-type building to be used by the Highway Department and Tree Department, to be located on a portion of the property now used as the Town of Hanover Dump; location of said garage-type building and storage of salt at the locus will be subject to the prior written approval of the Hanover Board of Health; and to determine what sums shall be raised by appropriation from available funds, by taxation, and borrowing under applicable state laws; said constructing to be done under the direction of the Town Garage Building Committee as established under Article 64 of the Annual Town Meeting of March 2, 1970, or take any other action relative thereto.

Town Garage Building Committee

VOTED: That this Article be passed over.

ARTICLE 47.

To see if the Town will authorize the Selectmen to accept a gift of land for the Town to be used as a site for a Police Station. Said gift of land to revert back to the original owners at the expiration of Five

(5) years if it is not being used for the purpose of a Police Station. Said site of land located on the Easterly side of Washington Street and presently owned by Tedeschi's Realty Corporation.

Police Department

The Advisory Committee motion to pass over was defeated.

On motion duly made and seconded, it was —

VOTED: 219 voting in the affirmative and 66 in the negative, that the Selectmen be authorized to accept a gift of land as indicated.

ARTICLE 48.

To see if the Town will vote to establish a Police Station Building Committee composed of Five (5) Citizens to be named by the Moderator, and one of which would be the Chief of Police, for the purpose of obtaining plans, specifications and cost estimates for the construction of, and originally equipping a new Police Station; which Committee shall be empowered to report at any Annual or Special Town Meeting; and to raise and appropriate or appropriate from available funds the sum of \$16,500.00 for the purpose herein, or to take any action relative thereto.

Police Department

The Advisory Committee moved that this Article be passed over.

There was considerable discussion on this Article including a prediction of a cost of up to \$250,000.00 for such a building, the question of possible site, the possibility of locating the Police Station in property to be investigated under Article 36, etc.

The motion to pass over was defeated.

A motion was made to establish a Police Station Building Committee composed of Five (5) Citizens to be named by the Moderator, and one of which would be the Chief of Police, for the purpose of obtaining Preliminary Plans, and Cost Estimates for the construction of, a new Police Station and to study and recommend a site, which Committee shall be empowered to report therefor at any Annual or Special Town Meeting; and to appropriate from available funds the sum of \$5,000.00 for the purpose herein.

An amendment to appropriate \$2,000.00 instead of \$5,000.00 was defeated.

VOTED: To establish a Police Station Building Committee composed of Five (5) Citizens to be named by the Moderator, and one of which would be the Chief of Police, for the purpose of obtaining Preliminary Plans and Cost Estimates for the construction of a new Police Station and to study and recommend a site, which Committee shall be empowered to report therefor at any Annual or

Special Town Meeting; and to appropriate from available funds the sum of \$5,000.00 for the purpose herein.

A motion to adjourn to Saturday, March 6th at 10:00 A.M. was defeated.

VOTED: At 11:15 P.M. to adjourn to reconvene in the High School at 8 P.M. on Wednesday, March 3, 1971.

A true copy.

Attest:

**RALPH D. WASHBURN
Town Clerk**

**Journal of Reconvened
Annual Town Meeting
Held on
Wednesday, March 3, 1971**

The Annual Town Meeting was reconvened at the High School on Wednesday, March 3, 1971 pursuant to vote of adjournment on March 2, 1971.

The Moderator, George H. Lewald, called the meeting to order at 8:30 P.M. with 259 voters present.

ARTICLE 49.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to purchase and equip two (2) Station Wagons, ambulance Type, 1971 Police Cruisers and to authorize the trade-in of the Two (2) present 1970 Plymouth Station Wagons, Ambulance Type Police Cruisers, said purchasing and equipping to be under the direction of the Chief of Police and the Board of Selectmen, or take any other action relative thereto.

Police Department

VOTED: To raise and appropriate the sum of \$6,240.00 for this purpose.

ARTICLE 50.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to purchase and equip one (1) Station Wagon, Ambulance Type, 1971 Police Cruiser and with No trade-in. Said purchasing and equipping to be under the direction of the Chief of Police and the Board of Selectmen, or take any other action relative thereto.

Police Department

VOTED: Unanimously to appropriate the sum of \$5,850.00 from the Stabilization Fund for this purpose.

ARTICLE 51.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to purchase and equip a 750 gallon Front Mount Combination Pumping Engine, said purchasing and equipping to be done under the direction of the Board of Fire Engineers, and to authorize the trade-in of a 1955 Ford Pumping Engine by the Board of Fire Engineers, or take any other action relative thereto.

Hanover Board of Fire Engineers

VOTED: Unanimously that the Town appropriate \$19,000.00 from the Stabilization Fund for this purpose and authorize the trade-in.

ARTICLE 52.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money to purchase and equip a 1971 Station Wagon type vehicle for use of the Fire Department and to authorize the trade-in of the present 1967 Dodge Station Wagon, said purchasing and equipping to be done under the direction of the Board of Fire Engineers, or take any other action relative thereto.

Hanover Board of Fire Engineers

VOTED: To raise and appropriate the sum of \$2,700.00 for this purpose and authorize the trade-in.

ARTICLE 53.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of \$2,500.00 to purchase hose, said purchasing to be done by the Board of Fire Engineers, or take any other action relative thereto.

Hanover Board of Fire Engineers

VOTED: That the Town appropriate from available funds the sum of \$2,500.00 for this purpose.

The Drainage Committee presented the following report.

The Town of Hanover Drainage Committee meets once a month from April to December at which time many minor and major complaints are received. All minor complaints are taken care of by our General Drainage appropriation and if possible the major projects are relieved until a special article can be brought up at a future Town Meeting.

This year a major Brook and Stream Clearance project was done from No. 139 to Cedar Street, which is known as Drinkwater Brook and proved very successful.

It is the wish of the Drainage Committee that this work will be continued in the future.

Each year a special Drainage Article is presented to Town Meeting, in this way much needed street drainage has been installed with the cooperation of the Highway Department.

All projects whether on or off the highways are given consideration by this Committee and it is hoped that this Drainage

Committee will be continued and this report is accepted as a report of progress.

Respectfully submitted,

S. FRANKLIN AMES
COL. TURNER W. GILMAN
JAMES S. OLDHAM
ALBERT SULLIVAN, JR.

ARTICLE 54.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$7,500.00 to continue the drainage project on Plain Street between Main Street and Hanover Street, all work to be done and expenditures made by the Highway Surveyor with the assistance of the Drainage Committee, or take any other action relative thereto.

Drainage Committee

VOTED: That the Town raise and appropriate \$7,500.00 for this purpose.

ARTICLE 55.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$4,000.00 for Brook and Stream clearance, all work to be done and expenditures made by the Highway Surveyor with the assistance of the Drainage Committee, or take any other action relative thereto.

Drainage Committee

VOTED: That the Town raise and appropriate \$4,000.00 for this purpose.

ARTICLE 56.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$7,500.00 for general drainage work in Town and the sum of \$1,000.00 for engineering services for drainage projects, all work to be done and expenditures made by the Highway Surveyor with the assistance of the Drainage Committee, or take any other action relative thereto.

Drainage Committee

VOTED: That the Town raise and appropriate the sum of \$7,500.00 for general drainage work in the Town and \$1,000.00 for engineering services for drainage projects.

ARTICLE 57.

To see if the Town will vote to authorize the Cemetery Commissioners to appoint members of their Commission to be employed in the Cemetery and to fix the compensation of such employees in accordance with Chapter 41, Section 4a of the General Laws, or take any other action relative thereto.

Cemetery Commissioners

VOTED: That the Town authorize the Cemetery Commissioners to appoint members of their Committee to be employed in the cemetery at the following rates of pay: Cemetery Superintendent, \$3.23 per hour, and laborers at \$3.02 per hour.

ARTICLE 58.

To see if the Town will vote to appropriate the sum of \$3,000.00 from the Graves and Foundations Fund to the Graves and Foundations Account in accordance with Chapter 114, Section 15 of the General Laws, or take any other action relative thereto.

Cemetery Commissioners

VOTED: That the Town so do.

ARTICLE 59.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$700.00 to purchase an 8 H.P. Riding Lawn Mower for the use of the Cemetery Commissioners and to authorize the trade in of the present 1962 tractor as part payment, said purchase to be under the direction of the Cemetery Commissioners, or take any other action relative thereto.

Cemetery Commissioners

VOTED: That the Town raise and appropriate \$700.00 for this purpose and authorize the trade in.

ARTICLE 60.

To see if the Town will vote to transfer the sum of \$10,000.00 from the Sale of Lots Account for the Development of land for new lots in the Hanover Center Cemetery, said work to be under the jurisdiction of the Cemetery Commissioners, or take any other action relative thereto.

Cemetery Commissioners

VOTED: That the Town so do.

ARTICLE 61.

To see if the Town will vote to change the name of the Hanover Playground Committee to the Hanover Park and Recreation Committee, or take any other action relative thereto.

Playground Committee

VOTED: That the Town so do.

ARTICLE 62.

To see if the Town will vote, in accordance with Chapter 41, Section 69C of the General Laws, to include in the warrant and on the official ballot for the next Annual Town Meeting the following question: "Shall sections sixty-nine C to sixty-nine F, inclusive, of Chapter forty-one of the General Laws, providing for the establishment of a Board of Public Works exercising the powers of certain

other departments and town officers be accepted?"; or take any other action relative thereto.

Town Government Study Committee

The Advisory Committee's motion to pass over was defeated.

On motion duly made and seconded it was

VOTED: That the following question be included in the warrant and official ballot of the next Annual Town Meeting,

"Shall sections sixty-nine C to sixty-nine F. inclusive, of Chapter forty-one of the General Laws, providing for the establishment of a Board of Public Works exercising the powers of certain other departments and town officers be accepted?"

ARTICLE 63.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of money for the use of the Conservation Commission to purchase approximately 30 acres of land on the Easterly side of Elm Street consisting of the following lots: Lot 8, Lots 11-26, inclusive; Lots 30-44, inclusive; and Lots 52-54, inclusive; all of Plan 73 of the Hanover Assessor's Map. This land to be under the care, custody and control of the Conservation Commission. Application for reimbursement of 50 per cent of the cost of this acquisition has been made to the Commissioner of Natural Resources as prescribed by Chapter 132a, Section 11 of the General Laws.

Conservation Commission

VOTED: That this Article be passed over.

ARTICLE 64.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to convey all her right, title, and interest in Lots 13 and 16 of Plan 4 of Assessors' Map of Hanover to the care, custody and control of the Conservation Commission, or take any other action thereto.

Conservation Commission

VOTED: Unanimously that the Town so do.

ARTICLE 65.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to convey all her right, title, and interest in Lot 1 of Plan 33 of Assessors' Map of Hanover to the care, custody and control of the Conservation Commission, or take any other action relative thereto.

Conservation Commission

VOTED: Unanimously that the Town so do.

ARTICLE 66.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to convey all her right, title, and interest in Lot 14A of Plan 3 of Assessors' Map of Hanover to the care, custody and control of the Conservation Commission, or to take any other action relative thereto.

Conservation Commission

VOTED: Unanimously that the Town so do.

ARTICLE 67.

To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to convey all her right, title, and interest in Lots 10, 13 and 14 of Plan 7 of Assessors' Map of Hanover to the care, custody and control of the Conservation Commission, or take any other action relative thereto.

Conservation Commission

VOTED: Unanimously that the Town so do.

ARTICLE 68.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$40,000.00 for the use of the Conservation Commission, or take any other action relative thereto.

Conservation Commission

VOTED: That the Town raise and appropriate \$40,000.00 for the Conservation Commission Fund.

ARTICLE 69.

To see if the Town will vote to withdraw from the Plymouth County Mosquito Control Project or take any other action relative thereto.

Board of Health

VOTED: That this Article be passed over.

ARTICLE 70.

To see if the Town will vote to raise and appropriate or appropriate from available funds the sum of \$1,000.00 for the purpose of defraying the initial cost and administrative expenses of the Hanover Housing Authority, such monies to be returned to the Town by the Housing Authority to the extent it receives reimbursement from other sources; or take any other action relative thereto.

Hanover Housing Authority

VOTED: That the Town raise and appropriate \$500.00 for this purpose.

ARTICLE 71.

To see if the Town will vote to raise and appropriate or appropriate from available funds a sum of \$5,000.00 for the School

Committee to establish Varsity Hockey as an interscholastic sport in the Hanover Public Schools, or take any other action relative thereto.

School Committee

The Advisory Committee's motion to pass over was defeated.

After considerable discussion it was moved and seconded that the sum of \$3,000.00 be raised and appropriated for this purpose.

An amendment to make the sum \$5,000.00 instead of \$3,000.00 was voted upon and declared by the Moderator to have been defeated. The vote was doubted and on count by the tellers the motion to amend was passed by 113 votes in the affirmative and 76 in the negative.

VOTED: That the sum of \$5,000.00 be raised and appropriated for this purpose.

ARTICLE 72.

To see if the Town will vote to amend the Zoning By-Law by revising the Hanover, Massachusetts, Zoning Map of June 1965 (including revisions thereof to 1969) as follows: That land situated at the southeasterly corner of the intersection of Broadway and Columbia Road, shown on the Assessors' Maps of the Town of Hanover as Lots 79 and 143, Plan 57; which land is now zoned "Residential" be hereafter designated as "Business."

Development and Industrial Commission

The following report was filed by the Planning Board:

A Public Hearing on this proposed zoning revision was held February 17, 1971, in accordance with all statutory provisions.

This location, at the southeasterly corner of Broadway and Route 53, is conceded to be relatively undesirable for residential use. There are two parcels involved, one privately owned and one owned by the Town of Hanover and which is the subject of the following article which proposes its sale to be combined with the privately owned parcel. Together they appear to involve less than six-tenths of an acre. They are completely surrounded by property on which the Salmond Elementary School is located. The other three corners of the intersection are zoned and developed for business use.

It was brought out at the Public Hearing, and conceded by the party having an interest in the development of this property, that the total area involved, even assuming the approval of the following article to combine the two parcels under one private ownership, is inadequate for any practicable business use without the approval of variances by the Board of Appeals because of the setback and the sideline requirements of the Zoning By-Law.

The Planning Board therefore recommends that this article NOT be approved.

HANOVER PLANNING BOARD
TURNER W. GILMAN, Chairman
JOHN A. LIBERTINE, Clerk
ROBERT L. KIMBALL
JOSEPH J. ZEMOTEL
FRANKLIN N. MEISSNER

VOTED: That this Article be passed over.

ARTICLE 73.

To see if the Town will vote to authorize the Selectmen to convey to Lottie B. Peterson, her heirs, successors in title or assigns, whatever rights or interest the Town has in a small parcel of land located on the Southeast corner of the intersection of Broadway and Columbia Road, and identified as Lot No. 143 of Plan 57 of the Assessors' Maps of the Town of Hanover, said parcel consisting of approximately 3,000 square feet of land, providing the Selectmen retain sufficient land for the radius of said intersection; and further providing that the purchase price of said land shall be \$750.00, and that Lottie B. Peterson, her heirs, successors in title or assigns, must combine this lot with Lot No. 79 of Plan 57, which is the adjoining lot owned by her, or take any other action relative thereto.

Board of Selectmen

VOTED: That this Article be passed over.

ARTICLE 74.

To see if the Town will vote to amend the By-Laws of the Town of Hanover by amending Article XVI, to add Section 9, to read as follows: No person shall operate any self-propelled passenger vehicle, including but not limited to "trail bikes" and "snowmobiles," off-the-road on any property, public or private, without permission of the owner thereof, or the Board of Selectmen in the case of public property, or take any other action relative thereto.

Board of Selectmen

The Advisory Committee's motion to pass over was defeated.

On motion duly made and seconded it was

VOTED: Unanimously that the Town so do.

ARTICLE 75.

To see if the Town will vote to amend the Zoning By-Law and so note on the Zoning map by changing from a Residential District to a Limited Industrial District, two parcels of land bounded and described as follows:

FIRST PARCEL

Northerly by the present limited industrial district, a distance of about one thousand (1000) feet;

Easterly by land now or formerly of David W. Moran and land now or formerly of the Hanover Swim & Tennis Club, Inc., a distance of about eighteen hundred eighty (1880) feet;

Northerly by land now or formerly of the Hanover Swim & Tennis Club, Inc., a distance of about six hundred (600) feet;

Easterly and in a line parallel to and one hundred fifty (150) feet Southeasterly from Third Herring Brook, a distance of about fifteen hundred (1500) feet;

Southerly by land now or formerly of the Town of Hanover and land now or formerly of Americo A. Cassese, a distance of about seven hundred seventy (770) feet;

Southwesterly and Southerly by the present commercial district by two (2) courses, a distance of three hundred (300) and one hundred fifty (150) feet, respectively; and southeasterly and westerly by the present commercial district, a distance for approximately thirty-nine hundred (3900) feet.

SECOND PARCEL:

Northeasterly by the Southeast Expressway, a distance of about one hundred fifty (150) feet;

Easterly, Northerly and Easterly by Third Herring Brook and Peterson's Pond, being the Hanover Town Line, a distance of about nineteen hundred (1900) feet;

Southerly by land now or formerly of David W. Moran, a distance of about two hundred twenty (220) feet;

Westerly and Southerly by the present limited industrial district, a distance of about nineteen hundred (1900) feet.

Both parcels are more particularly shown and described on plan prepared by Bradford Saivets and Associates, Inc. of Braintree, Massachusetts, dated November 28, 1970, a copy of which is submitted with this article.

Development and Industrial Commission

The following report was filed by the Planning Board:

Following is the report of the Hanover Planning Board on Article 75 of the Warrant for the Annual Town Meeting called for March 1, 1971.

A public hearing on this proposed zoning revision was held February 17, 1971, in accordance with all statutory provisions.

This article proposes to rezone from Residential to Limited Industrial land adjacent to the area of the new Hanover Mall. Almost all of this land was originally proposed for Apartment

zoning when the current zoning By-Law was adopted. When the Town Meeting overwhelmingly rejected the apartment zoning the land reverted to its previous status — that is, residential zoning — by default. At that time, in 1965, the Development and Industrial Commission would have recommended Limited Industrial Zoning for this land, as it did for similar parcels North and South of this area, but deferred to the recommendation of the Planning Consultants that the area was even better suited to an Apartment Zone.

The Development and Industrial Commission, in proposing this rezoning, is acting to implement its original recommendation for this land.

The Planning Board in each of the past few years has stressed in its annual report the urgent necessity for more Limited Industrial land near major highways in Hanover and unanimously recommends that this article be approved.

HANOVER PLANNING BOARD
TURNER W. GILMAN, Chairman
JOHN A. LIBERTINE, Clerk
ROBERT L. KIMBALL
JOSEPH J. ZEMOTEL
FRANKLIN N. MEISSNER

The area mentioned in this article is adjacent to the Hanover Mall which is under construction at this time and it is anticipated that if this amendment to the Zoning By-Laws is adopted, the area will be used for warehouses in connection with the commercial activities of the Mall.

There was considerable discussion on this article particularly as to possible contamination of the Third Herring Brook and the Town's water supply off Pond Street.

Mr. W. Thompson Fulton, who owns an island of property within this area, moved that the article be amended to exclude his land.

The presence of a quorum was doubted but a count by the tellers confirmed that a quorum was present.

VOTED: That the description of the area in the "First Parcel," be amended so that the rezoning to Limited Industrial District as described in this article under the "First Parcel," shall in no way apply to lots number 13, 22, 58, 59 and 60 east of Washington Street as shown on Plan 24 of the Assessors' Map of Hanover. These lots shall continue to be zoned as they are as residential.

On motion duly made and seconded it was

VOTED: That action be taken separately on the "First Parcel" and "Second Parcel."

VOTED: 138 having voted in the affirmative and 28 in the negative, to amend the Zoning By-Law and so note on the zoning

map by changing the area described in the "First Parcel" from a Residential District to a Limited Industrial District, excluding lots numbered 13, 22, 58, 59 and 60 as shown on Plan 24 of the Assessors Map of Hanover, which lots will remain residential.

VOTED: 133 having voted in the affirmative and 33 in the negative, to amend the Zoning By-Law and so note on the zoning map by changing the area described in "Second Parcel" from a Residential District to a Limited Industrial District.

ARTICLE 76.

To see if the Town will amend the Zoning By-Law by deleting from Section VI, B, 2, subparagraph "e", and to re-number the following sub-paragraphs "f" and "g" to be "e" and "f" respectively or to take any action relative thereto.

Petition

VOTED: That this Article be passed over.

ARTICLE 77.

To see if the Town will vote to authorize the Selectmen to take every possible action to enable the Town of Hanover to withdraw from the Massachusetts Bay Transportation Authority, or take any other action relative thereto.

Board of Selectmen

VOTED: That the Town so do.

ARTICLE 78.

To see if the Town will vote to instruct the Town Treasurer to include the names of each employee of the Town from each department with his or her total compensation for the calendar year in Annual Reports of the Town for the years 1971 and thereafter.

By Petition

VOTED: That this Article be passed over.

Journal of Annual Town Election

Held Saturday, March 6, 1971

At 12:00 Noon the adjourned Annual Town Meeting convened at the Hanover High School for the Election of Officers. The meeting was called to order by George H. Lewald, Moderator. Ralph D. Washburn, Town Clerk, read Article 85 from the warrant as follows:

To bring in their votes for each of the following for a term of three years: one Selectman, one Assessor, one Town Clerk, one Treasurer, one Tax Collector, one member School Committee, one member of the Board of Health, one Trustee of Public Library, one Cemetery Commissioner, one Water Commissioner. The following for a term of five years: one member of the Planning Board. The following for a two-year unexpired term: one member Water Commissioners. The following for a term of one year: Moderator, Highway Surveyor, Tree Warden. Four members of the Housing Authority.

and to bring in your votes on the following questions:

QUESTION NO. 1: "Shall the Town, in addition to the payment of fifty per cent of a premium for contributory group life and health insurance for employees in the service of the Town and their dependents, pay a subsidiary or additional rate?"

QUESTION NO. 2: "Shall the Town in addition to the payment of fifty per cent of a premium for contributory group life and health insurance for employees retired from the service of the Town and their dependents, pay a subsidiary or additional rate?"

The following Election Officers were in attendance, having been previously sworn in:

Warden, R. Irving Lovell; Deputy Warden, Grace Norwood; Clerk, Joseph E. Hannigan; Deputy Clerk, Charles Conlon; Inspectors; Annie Michalowski, Barbara Smith, Laura Murphy, Barbara Beal; Deputy Inspectors; Stella DeCoste, Jean Migre, Irene O'Toole, Marjorie Thomson, David Studley, Claire Ward.

The ballot box was opened, inspected and found empty before being locked. The keys were handed to Paul Lunetta, Police Officer, who retained them until 4:00 P.M. and then handed them to Michael Sherwood, Police Officer, who retained them until the close of the polls.

The polls were declared open and remained open until 8:00 P.M.

The following tellers reported to count the ballots at 8:00 P.M., all having been previously sworn in: Shirley Collins, Emma Laidlaw, Sally Murphy, Barbara Halloran, Harry Monks, Nina Topali, Josephine Kendrigan, Avito diCicco, Shirley Blanchard,

Helen Woodward, Florence Oldham, Lois Kendall, Roger Leslie.

The results of the balloting were as follows:

The total number of voters was 1,575.

Report of the Town Clerk

To the Citizens of Hanover

The calendar year 1971 was not particularly busy as it was an off year as far as elections were concerned. The year 1972 bids fair, however, to be an exceptionally busy year with the Annual Town Meeting and Town Election in March; the Presidential Primary in April; the State Primary in September and the Presidential and State Election in November.

The total registration of voters at the close of the year stood at 4,582 due to the large number of 18, 19 and 20 year old residents registering for the first time. No doubt we can look forward to many more registrations in 1972, it being a Presidential Election year.

Records of births, deaths and marriages are recorded under their separate headings as are the minutes of Town Meetings and Elections.

Town Clerk receipts for the calendar year 1971 were as follows:

Marriage Intentions	\$198.00
Mortgage Recordings	1,388.00
Mortgage Releases	25.00
Vital Statistics	276.97
Dog Licenses	4,037.00
Fish and Game Licenses	3,026.00
Other Receipts	776.19
	<hr/>
	\$9,727.16

Respectfully submitted,

RALPH D. WASHBURN
Town Clerk

Marriages Recorded in Hanover For The Year 1971

January

- 2 Francis M. Smudin of Hanover and Romona D. Wood of Bridgewater.

Jury List — July 1, 1971 to July 1, 1972

- 2 ADAMI, Barbara D., 263 Union Street, housewife.
- 3 ADAMS, Theodora H., 27 Pine Street, Accounting Clerk.
- 1 ALGER, Richard E., 232 Main Street, Vice President.
- 1 ATKINS, Robert V., 179 Plain Street, Electrical Engineer.
- 3 BABINEAU, G. Ronald, 551 Main Street, Director of Personnel.
- 3 BARBOUR, Eleanor L., 337 Broadway, Housewife.
- 3 BEAL, Irene M., 162 Elm Street, Masseuse.
- 3 BELLACQUA, Carolyn A., 23 Karen Road, Bookkeeper.
- 1 BONOMO, Salvatore, 911 Hanover Street, Boston Edison Company.
- 2 BRIGGS, Carolyn M., 61 Center Street, Housewife.
- 2 BROWN, George M., 59 Brook Bend Road, Shipyard Worker.
- 1 BURKE, George W., 447 Cedar Street, Repairman.
- 1 CASE, Frederick H., Jr., 180 Elm Street, Assistant Director Public Relations.
- 1 CATALANO, Fred, 49 Karen Road, Product Sales Manager.
- 1 CHAPLIN, Daniel E., 36 Howland Park, Principle Engineer.
- 3 CLAIR, John J., 131 Dillingham Way, Rapid Transit Starter.
- 3 CLEVELAND, Barbara, 1231 Broadway, Postal Clerk.
- 2 COFFEY, Robert A., 88 Broadway, District Manager.
- 2 COLEMAN, Olga B., 50 Karen Road, Housewife.
- 3 COLLINS, Richard J., 43 Hoover Road, Power Line Foreman.
- 3 COOPER, Richard J., 155 Samoset Drive, Plant Engineer.
- 2 CORMIER, Chester, 375 Hanover Street, Shop Foreman.
- 3 COX, Helen E., 1078 Hanover Street, Housewife.
- 3 CROAN, David J., 86 Tecumseh Drive, Analyst.
- 3 DEAN, Robert A., 233 Woodland Drive, Electronics Technician.
- 3 d'ENTREMONT, Jeannette E., 1246 Broadway, Housewife.
- 2 DICKINSON, Kenneth W., 48 Davis Street, Assistant Manager.
- 2 DiGIOVANNI, Albert W., 1526 Broadway, Claims Adjuster.
- 2 DIXON, Rosalind L., 317 Broadway, Part-Time Clerk.
- 1 DONLAN, Daniel J., 30 Jefferson Road, Tree Surgeon.
- 2 DUKE, Ronald C., 16 Ellis Avenue, Division Head.
- 2 DUNN, John E., 34 Bardin Street, Treasurer.
- 3 ENOS, Walter C., 66 Pleasant Street, Cannery Worker.
- 3 ESTES, Charles V., 197 Candlewood Lane, Radiographer.
- 2 FINN, Richard J., 86 Chestnut Street, Motorman.
- 3 FRANK, Philip T., 294 Silver Street, Field Engineer.
- 1 FREDA, William S., 131 Hillside Circle, Department Manager.
- 2 FRESE, Vincent, 63 Candlewood Lane, Manager.
- 3 GERRISH, Forrest E., 365 Circuit Street, Retired.

- 3 GIBSON, Ronald R., 628 King Street, Machinist.
- 1 GIROUX, John H., 126 Brook Circle, Meter Reader.
- 3 GOODENOW, Lester D., 2009 Washington Street, Fabrication & Assembly.
- 3 GRANT, Erwin L., 78 Jefferson Road, Budget & Cost Analysis.
- 3 GUTHRIE, David C., 31 Jackson Road, Public Accountant.
- 1 HADDAN, Perry A., 1226 Main Street, Construction Specialist.
- 2 HALL, Russell J., 35 James Road, Electrical Engineer.
- 3 HAMILTON, Anita G., 30 Franklin Road, Cosmetic Sales.
- 2 HAMM, Raymond S., 265 Silver Street, Salesman.
- 1 HANNIGAN, Joseph E., 1107 Broadway, Toll Test Man.
- 3 HARRINGTON, Lois B., 676 Circuit Street, Housewife.
- 2 HARWARD, William B., 52 Read Drive, Controller.
- 3 HATCH, Malcolm C., 63 Phillips Street, Communications Consultant.
- 2 HAYDON, Trevor A., 253 Cedar Street, Chief Administration Officer.
- 1 HAYES, Donald C., 226 Water Street, Skilled Laborer.

- 3 WHITT, Ronald K., Sr., 251 Grove Street, Sales Manager.
- 1 YOUNG, Thomas P., 79 Hillside Drive, Senior Construction Estimator.

Report of the Personnel Board

To the Citizens of Hanover:

This year the Personnel Board has made three changes in the Classification of Positions — Full Time. These reflect the need for full-time employees in Classifications which were previously Part-Time.

There were also two changes in Part-Time Classifications to properly reflect the work being performed.

There will be one By-Law change. This is a complete revision of Article 9, New Personnel and Notification of Vacancies. This By-Law change will outline for all departments employment procedures to be followed in hiring full- or part-time personnel.

Respectfully submitted,

DAVID W. LUCE, Chairman
CATHARINE B. HALL
WILFORD d'ENTREMONT
JAMES J. O. STONE
JOHN F. SISK

Plymouth County Aid to Agriculture

BY

EDGAR W. SPEAR,

County Agent-Manager & Regional Turkey Specialist

The Plymouth County Extension Service's office is located on High Street, Hanson, close to the Plymouth County Hospital, and can be reached by calling 293-3541 or 447-5946.

Our legal title is Plymouth County Aid to Agriculture but better known as the Plymouth County Extension Service. We are the educational arm of the University of Massachusetts and the U. S. D. A. at the county level, which indicates that our work is in the field of education.

We keep on display many free bulletins for use by Plymouth County residents. Lawn care, backyard gardening, insect control, nutrition, and home canning are just a few of the most popular ones. We welcome your visiting us between 8 a.m. and 4 p.m., Monday through Friday.

The number of soil samples tested this year was tripled over last year, and we hope to have better equipment this spring to improve this free service.

We have Agricultural Specialists serving commercial farmers, as well as a Natural Resource Development Specialist, two Home Economists and two 4-H Club Agents.

This year a name change was voted by the Legislature, Chapter 990. This changes the name from "County Aid to Agriculture" to "Trustees for County Cooperative Extension Service", and is effective February 3, 1972.

In 1972, an Advisory Council will be formed of all Town Directors to County Aid to Agriculture and we hope to improve our educational services to the residents of Plymouth County.

Our 4-H Program is the part of the Extension Service best known by most people and we welcome new leaders and members. With our new urban programs, there are all kinds of projects for young people.

The Board of Trustees, appointed by the Plymouth County Commissioners, administers the Extension Service Program and is composed of:

Arthur Chaffee, Jr., Chairman, Bridgewater
John Duffy, Vice-Chairman, Halifax
Mrs. George Mullen, Secretary, Hanson
Robert Hosley, Middleboro
Edward Gawle, Brockton
Philip Gibbs, West Wareham
Joseph Marchesiani, Hingham
George A. Ridder, Whitman
Mrs. Paul Sturtevant, Halifax

Emergency Communication Center

To the Citizens of the Town of Hanover:

The Hanover Emergency Center, now in its eleventh year of operation, continues to successfully serve the Townspeople in all emergencies.

During the past year over 60,000 telephone and radio messages were handled by the operators.

The Committee wishes to take this opportunity to thank the Board of Selectmen, the Police Department and the Fire Department for their fine cooperation, and also to thank our operators for their faithful service during the past year.

Respectfully submitted,

COMMUNICATIONS COMMITTEE
ROBERT P. COBURN, CHAIRMAN
JOSEPH INGLE
HENRY S. NEWCOMB

Council for the Aging

Report for Hanover Council for the Aging

To the Citizens of Hanover:

Regular meetings have been held monthly with the exceptions of August and September. The meeting night has been changed to the third Tuesday instead of Thursday.

Several bus trips have been taken and enjoyed by many of the Senior Citizens. Although more people have been going than last we would like to have even more.

Submitted by

HENRY S. NEWCOMB

Plymouth County Mosquito Control Project

Concern for the environment has again been a factor in the Project's activities this past year. Our continued efforts will be to consider the problems of pollution and ecology while carrying out an effective mosquito control program. Obviously, indiscriminate mass applications of hard pesticides by aircraft or ground equipment is a thing of the past. By carefully following control outlines, provided by the entomologist for the State Reclamation Board, as well as the University of Massachusetts, the Project has been able to provide adequate mosquito control in almost every area of the county.

Logically, reduction in mosquito population can best be accomplished before the mosquito becomes a flying adult. We, therefore, direct a substantial amount of monies into eliminating or controlling breeding areas. This is carried out by water management, trenching and clearing waterways, especially those that have become polluted or stagnant.

This past year throughout the county, approximately 14,505 man hours were spent working in the field. Included in this were 5,028 hours in spraying, applying a total of 20,173 gallons of spray material. 1,464 hours were given to pre-hatch, larvaciding, and inspection work. In addition, 4,320 catch basins were treated.

As indicated, water management is an important part of the Project's work. With attention being given to problem areas, our two backhoes worked 1,504 hours with a total of 29,755 feet of trenching. Field crews spent 5,099 hours clearing 36,345 feet of clogged streams and ditches.

Prime consideration is always given to those areas prone to Eastern equine encephalitis. Three cases were reported in the county last year. Secondly, those sections known to have a high mosquito producing potential are considered.

The following is a brief summary of the Project's activities in your town. 103 hours were spent applying 115 gallons of spray material to known breeding areas and 366 hours clearing blocked

waterways in areas of Candlewood Circle, Walnut Street, Spring Street, Cedar Street, Silver Street and Riverside Circle. This work also included beaver dam blockage off Circuit and Myrtle Streets.

The backhoe was used an additional 56 hours for trenching off Water and Clapp Streets and also to the rear of the school on Whiting Street, thus making a total of 525 hours spent in the town.

We have attempted to come close to the actual assessment of 2.814 per cent which is Hanover's share of the Project's appropriation.

We express our continued appreciation for the assistance of the various town departments.

Respectfully submitted,

ALAN C. BAILEY
Superintendent

Report of the Conservation Commission

To the Citizens of Hanover

This year the Division of Marine Fisheries not only completed the new fish ladder, they also stocked the North River with Coho Salmon, these should return in the fall of 1972.

The skating area in South Hanover has been enjoyed by children of all ages.

This year as in the past the Green Belt is expanding. Thanks to Mr. and Mrs. Stanley Clark of King St. for giving this Commission the opportunity to purchase a 23-acre parcel abutting the Harrington property, that was acquired in 1970.

At this time the Commission on behalf of the Town, would like to thank Mr. and Mrs. Austin Briggs for their gift of 4 acres. And also thank Mr. and Mrs. Robert Sproul for their gift of 5 acres.

The total land area now under the care, custody and control of the Conservation Commission is 233 acres.

Respectfully submitted,

DONALD J. ROGERS, Chairman
LEANDER B. NICHOLS
KATHERINE R. TOWNSEND
EDGAR P. PACKARD
RICHARD E. BRADFORD
MARJORIE H. ABBOT
RICHARD H. LASKEY

Report of the Hanover Visiting Nurse Association, Inc.

To the Board of Selectmen and the Citizens of Hanover:

The Hanover Visiting Nurse Association submits the following report for the year ending December 31, 1971.

During the past year twenty-one Well Child Conferences were held with Dr. Mary E. Butterworth as the attending physician. Immunizations against smallpox, tetanus, diphtheria, whooping cough, measles and polio-myelitis were given at Well Child Conferences at the discretion of the physician. These conferences are held for the benefit of infants and pre-school children of Hanover residents.

In co-operation with the School Department and Board of Health, Heaf tests for the detection of tuberculosis were given. In April 412 pre-school children were screened for Amblyopia at the Cedar School in conjunction with the testing done by the School Dept. Forty-seven 7th and 8th graders attended the Baby-Sitting Course held in May and were given certificates.

On Oct. 3rd the Board assisted the Doctors Committee with a reception held at the John Curtis Library for Dr. Hector Castellanos and Dr. James L. Guardo, Hanover's new physicians. The townspeople were invited.

During Diabetes Week Nov. 14th-20th, Dreybaks for the detection of Diabetes were made available to all Hanover residents.

Five camperships were given in memory of Mr. and Mrs. Frederick Nagel.

Eight scholarships totalling \$1,100.00 were awarded to the following people planning to enter the field of nursing:

Mrs. Eleanor Young, Deborah Du Vall, Nancy Fishwick, Ann Casey, Rosemary McFarlane, Kathleen Varner, Claire Pendleton and Mr. Jeffrey Kemp.

We bought a special wheel chair for a child in Hanover who has Cerebral Palsy. It was given in memory of Mrs. Ezra Phillips.

The Board was saddened by the passing of two of our members, Mrs. Louise Middleton and Mrs. Pauline Phillips. They will be greatly missed.

In accordance with state specifications for recertification we hired, in March, Mrs. Avery Andrew, M.S. as a Consultant-

Supervisor.

The Board accepted with deep regret the resignation of Mrs. Meredith Hamilton, R.N. as back-up nurse and Mrs. Judy Badot as Chairman of the Nominating Committee.

Regular monthly meetings are held on the second Tuesday of each month in the morning, with the exception of July and August, and special meetings are held when necessary. Nurses and board members were privileged to hear a variety of excellent speakers during the year.

We would like to gratefully acknowledge special donations of money and equipment. Additional sick-room equipment such as wheelchairs, walkers, commodes, crutches, canes, et cetera, is available to the townspeople by calling the Nurse's Office at the Town Hall. Contributions to the Assoc. will be gratefully accepted "In Memoriam". We are most grateful for the townspeople's generous response to our Annual Fund Drive.

We wish to extend our appreciation to the members of the Board of Management and to the nurses: Mrs. Edna Anderson, R.N., Mrs. Avery Andrew, R.N., Mrs. Susan Hillman, R.N., and Mrs. Meredith Hamilton, R.N. We also appreciate the co-operation given to the Association by the Board of Health, Board of Selectmen, the Emergency Center, and other town officials.

Members of the Board of Management serving in 1971 were as follows:

President	Mrs. Norman G. Robbins
1st Vice President	Mrs. Joseph McLaughlin
2nd Vice President	Mrs. George Lewald
Treasurer	Mrs. James E. Sullivan
Asst. Treasurer	Mrs. Philip Goddard

Report of the Visiting Nurse

To the Selectmen, the Hanover Visiting Nurse Association, and the Citizens of Hanover.

I herewith submit my report for the work done by the nurses for the year 1971.

Visits and Services classified as follows:

Nursing	947
Physical Therapy	72
Speech Therapy	4
Occupational Therapy	0
Medical Social Service	1
Home Health Aides	1
Health Supervision	920
Social Service and Unclassified	176
Total Visits Made This Year:	2119
Full Paid Visits	580
Part Paid Visits	377
Cancer Society Paid Visits	3
Medicare Paid Visits	244
Blue Cross Paid Visits	54
Welfare Paid Visits	22
V.N.A. Paid Visits	837
Cases Carried January 1, 1971:	163
Cases Admitted This Year:	386
Cases Discharged This Year:	408
Cases Carried January 1, 1972:	141
Total Cases Seen This Year:	549

This agency is certified as a Home Health Agency under the Medicare Program, and offers the following services to all residents of Hanover: Nursing (Bedside), Physical Therapy, Speech Therapy, Occupational Therapy, and Rehabilitative Nursing, when so ordered by a physician. Medical Social Service Counseling and Health Supervision are offered on request of individuals.

Twenty-one Well-Child Conferences were held at the Educational Building of the Congregational Church. Dr. Mary E. Butterworth was the attending physician. Each child is examined thoroughly and an immunization schedule is followed at the discretion of the attending physician. This year three hundred and ninety-three children attended the clinics. Two hundred and eighty-six physicals were done and three hundred and forty-seven received

immunizations. Members of the Association assisted the nurses and transported the children and their mothers to clinic when necessary. This health program is available to children of Hanover from infant to kindergarten age. An appointment must be made with the nurse by calling her office at the Town Hall.

Courtesy calls are made to all new babies and their mothers when such births are known to the nurses. If a birth is a repeat in a family, a reminder is sent to the parents that Well-Child Conferences and the Nurses' services are still available. Courtesy calls numbered one hundred and thirty-three and thirty-four cards were sent out.

Health aids and sick room equipment is available to all residents of Hanover on a loan basis. Arrangements for equipment may be made with the nurses. At this time I wish to thank Mr. Everett Stoddard, Mr. Lewis Bourne, and Mr. John Hoadley for their cooperation and assistance with the delivery of heavy equipment.

In order to keep up with new trends and the constant changes in Public Health Nursing, the nurses have attended many in-service programs and lectures throughout the year.

Due to the generosity of many Organizations and Churches in Hanover, I had the pleasure of sending ten children to camp this summer, delivering Thanksgiving and Christmas food baskets, and a large number of toys were placed under Christmas Trees.

In March, I welcomed Mrs. Avery T. Andrew, R.N., M.S., to the agency as Consultant Supervisor. In December, Mrs. Meredith Hamilton, R.N., resigned as back-up nurse due to the fact she moved out of town.

Mrs. Andrew and I lectured to varied organizations and to a number of classes at the High School this past year.

I would like to take this opportunity to thank my nurses, Mrs. Avery Andrew, R.N., Mrs. Susan Hillman, R.N., and Mrs. Meredith Hamilton, R.N.; my secretary Mrs. Elizabeth Amazeen; Members of the Hanover Visiting Nurse Association; and the operators at the Emergency Center for the tremendous cooperation and assistance this past year.

Respectfully submitted,

EDNA G. ANDERSON, R.N.
Senior Nurse

Report of the Department of Veterans' Services

Benefits provided to needy Veterans of the Town of Hanover in accordance with Chapter 115, General Laws, Commonwealth of Massachusetts as amended was approximately \$54,000 during 1971. The substantial increase over 1970 and prior years is attributable to the growth of our Town and its Veteran population, the aging of our WW II Veteran and the rising unemployment rate during the past year.

The Office of Veterans' Services also provided to Veterans of Hanover and their dependents information, advice and assistance enable them to gain the benefits to which they may be entitled to relative to compensation, pension, hospitalization, education, and any other benefits provided by the Veterans Administration.

Office hours at the Town Hall are each Monday and Thursday evening from 7 to 9 p.m.

I wish to express my sincere appreciation to the members of the Board of Selectmen, the Advisory Committee, the Town Accountant and to other Town Officials for their continued cooperation and guidance.

Respectfully submitted,

EDWARD J. NORCOTT
Director of Veterans Services
Veterans' Agent

Report of the Water Commissioners

The Board of Water Commissioners hereby submits its annual report. The Board holds a regular monthly meeting the second Monday of each month and many special meetings as circumstances require.

The water supply has been further depleted by the lack of normal rainfall in the third and fourth quarters of 1971. In November the ground-water table in the well areas dropped below any previously recorded low levels, and the recovery differential levels indicated further depletion. Although usage has been restricted and extension of water mains prohibited the total water required to supply the town continues to increase. It was obvious that to allow additional usage via new construction could cause failure of part or all of the present supply and endanger the health and safety of the inhabitants. Consequently, the Board of Water Commissioners on November 3, 1971 voted that "A supply of water is not now available from the water system operated by the Town of Hanover for any new buildings to be constructed in the future in the Town of Hanover." This action in addition to previous ones restricts all building in the town and the restriction will stay in effect until the situation is such that water is available. Neighboring towns have been requested to sell water to Hanover, however the Abington-Rockland Joint Water Board and the Pembroke Water Department have both advised in writing that they would not be able to assist us. The Norwell Water Department took the matter under advisement and has not determined their position as of January 1, 1971.

The solution to our immediate water problem is to make the two million gallons per day supply in the Pond Street area available to the town by construction of a treatment plant for that supply. It has taken four years of testing and Pilot Plant operation to develop the type of plant needed. Approval at the town meeting will be on the current schedule to enable the plant to be completed and in full operation by June of 1973. There are several articles including landtaking and a street closing in the warrant for the annual meeting which will require favorable action by the townspeople if the treatment plant is to be constructed.

Per article No. 25 of the March 1971 Annual Meeting a meter survey has been made and a report and recommendation on the installation of water meters will be given at the annual meeting.

Exploration surveys were carried out in a number of areas in the town. However no additional supplies were located since those

reported on at the 1971 March annual meeting. Further exploration work has been included in the 1972 budget.

The new standpipe authorized by the 1971 March meeting has been completed and it is expected to be in service by late February depending upon our ability to pump the additional water to fill it. Once the new tank is completed and in service the School Street tank will be taken out of service long enough to put in the new valve pit and automatic altitude valve.

Over 1,500 feet of water main was replaced on Plain Street to coincide with the rebuilding of that street and the water main on the old part of Elm Street was relaid at a lower elevation to enable the brook and stream clearance to be completed on the Iron Mine Brook.

The cleaning of the unlined cast iron pipe on Elm Street and Water Street was carried out and 9,000 feet of pipe was cleaned. An article to do more of this type of work is in the annual meeting warrant. From a hydraulic standpoint the water carrying efficiency of the water main was increased greatly. A program of flushing all of the mains was completed last May with excellent results. We hope to be able to continue this program each year as a part of the regular departmental operating procedure, but are limited by the available supply of water to do it.

The Board of Water Commissioners and every member of the Department is fully aware of the inconvenience and problems caused by the restrictions on usage as well as construction. Every person's cooperation is greatly appreciated and needed to conserve water and have supply enough to properly protect the health and safety of the townspeople.

Please remember that use of water is limited to essential uses only and lawn sprinkling, car-washing, filling of pools and rinks and similar non-essential uses are prohibited.

It is hoped that approval of the programs for a treatment plant and metering will be given at the annual meeting in March and that there will be ample water supply for every use by mid-1973.

Respectfully submitted,

BOARD OF WATER COMMISSIONERS

JOHN THOMSON, Chairman

MICHAEL J. LYNCH

HENRY J. MATTHEWS, Clerk

Report of the Hanover Housing Authority

At the Town Meeting in March 1970, the town voted under Article 58 to establish under Massachusetts General Laws, Chapter 121, Section 26K as amended to establish a Housing Authority.

Four temporary members were appointed by the selectmen until the next town election, Henry Chiminiello, Carlos Hill, Frederic Smith, Jr. and Jean Souther. The Governor appoints the fifth member and this appointment was not made until July 1970, thus the Authority could not function as a unit until August 1970.

The Authority proceeded to organize and voted to build 40 to 48 Housing Units for the Elderly.

At the annual town election held in March 1971, Henry Chiminiello, Carlos Hill, Frederick Smith, Jr. and Jean Souther were elected to fill the terms as provided by law. George Savage had already been appointed by the Governor to serve until July 1973.

During the year the Authority selected several sites and the necessary forms were submitted to the Dept. of Community Affairs for approval of a site. To date the Authority has not received any formal notice of approval or disapproval for a site.

The Authority is also discussing the possibility of leasing housing under Chapter 707 from private enterprise.

Because of the many factors involved, it is impossible at the present time to set a timetable for the start of the Housing Project for the Elderly.

Respectfully submitted,

GEORGE A. SAVAGE, CHAIRMAN
CARLOS F. HILL, VICE CHAIRMAN
JEAN L. SOUTHER, TREASURER
FREDERIC S. SMITH, JR., ASST. TREAS.
HENRY P. CHIMINIELLO, SECRETARY

John Curtis Librarian's Report

Our circulation has doubled in the past four years and we hope it continues. We have had two story hours weekly and the enthusiasm displayed by the children is largely due to Mrs. Peter Anderson of the Hanover Junior Woman's Club, who so ably directs the story hours. The Club meets in the library monthly. The Welcome Wagon New-Comer's Club of Hanover is again designating the library as recipient of the open house program. They also presented books to the library.

Both the Hanover Garden Club and the Walnut Hill Garden Club have decorated the library so attractively this year. The case has had some unusual displays.

870 adult and 245 juvenile books have been added to the collection this year, along with 133 records.

The library's hours are from 10 a.m. to 8 p.m. for the adult section and from 12:30 to 8 p.m. for the children's room, Monday through Friday, and from 12 to 5 p.m. on Saturdays for both.

We thank our many patrons who by their courtesy and friendliness have made the hours periods of real pleasure rather than merely service.

Respectfully submitted,

MARIAN MacDUFF
Librarian

Trustee's Report John Curtis Free Library

The continuing growth in the use of the library appears clearly in the report by the Librarian and the Trustees wish to mention it again.

The Trustees are most grateful for the generous gifts of books which have come from many this year, both individuals and groups, especially from the Welcome Wagon New-Comers Club and the Junior Women's Club.

Special mention should be made of the establishment of the Louise Middleton Fund in memory of one who was deeply interested in the work of the library.

Another memorial gift of special interest is a picture done by Mrs. William McCahon and given by her in memory of Helene Dexter Fulton, her gifted teacher. It will be placed on exhibit soon.

Thanks are due to the Hanover Garden Club and the Walnut Hill Garden Club for their care in supplying the library with flowers throughout the year.

And our staff, as always, has given devoted service to the Town for which we thank them sincerely.

FANNY H. PHILLIPS
Chairman of the Board of Trustees
of the John Curtis Free Library

Report of the Board of Selectmen

To the Citizens of Hanover:

We respectfully submit the one hundred and nineteenth Annual Report of the Officers and Committees of the Town of Hanover for the year ended December 31, 1971.

Your Board continues to act on the many increasingly serious problems which are presented to them for direct action. These include capital outlay, improved services, insurance, budgets, operating expenses, street lighting for public safety, and traffic control signs on our highways. Police and Fire protection are a continued concern as these matters deal directly with human life and the protection of property.

We are very much concerned with the effectiveness of the so-called "Home Rule," which was designed to bring local government closer to its own community. We find this is not true, and in many cases special legislation is passed which results in unexpected financial burdens to a city or town, with no consideration of the municipality's ability to pay. We feel that this condition will exist until the citizens contact their appropriate legislators and make known their feelings on this matter.

Regularly scheduled meetings were held on each Monday evening, and on the first and third Wednesday of each month to deal with these problems and routine town business.

Several meetings were held with our State Senator and State Representatives to discuss pending legislation which directly, or indirectly, affected the Town of Hanover.

This Board continues to be very much concerned with the M.B.T.A. Assessment for services that we do not receive, and we have again asked our Representatives to file legislation authorizing the removal of Hanover from the Authority.

During the past year the Board accepted with regret the resignation of Laura M. Murphy as a member of the Hanover Council for the Aging, and we wish to express our sincere thanks to Mrs. Murphy for the many years of faithful service she has given to the Citizens of the Town of Hanover.

During 1971, it was our pleasure to issue Proclamations honoring:

Hanover Visiting Nurse Association

Hanover JayCee-etts
Hanover-Pembroke Lodge of Elks
Hanover Girl Scouts
Hanover Garden Club

This Board has met with the above agencies and fraternal groups on many occasions to seek their aid and advice on specific problems, and we wish to commend all for their devoted services to the Town of Hanover.

The Board wishes to remind all our Citizens that its meetings are open to the public, and extends an invitation to attend.

The Board thanks all our Citizens for their cooperation in the matters it undertakes. We will continue to serve in the best interests of all the Citizens of the Town of Hanover.

Respectfully submitted,

HOWARD F. LEVINGS
ALLAN A. CARNES
FRANCIS J. MITCHELL
Board of Selectmen

Report of the Gas Inspector

To the Board of Selectmen and Citizens of
Hanover, Mass.

I hereby submit my fourth annual report for the period January 1, 1971 through December 31, 1971.

There were two hundred and sixty-five inspections made and eight hundred and eighty-four dollars in fees collected and turned over to the Town Treasurer.

I appreciate the cooperation of the homeowners, contractors, and all town departments.

Respectfully submitted,

FRANK A. KANNEGIESER
Gas Inspector

Report of Cemetery Commissioners

To Board of Selectmen and Citizens of Hanover.

The Cemetery Commissioners wish to submit the following report:

During the year of 1971 there have been 54 burials, 29 of which were from out of town.

Each year we are getting more roads throughout the Cemetery blacktopped and the past year has been no exception.

By retirement we lost a valuable member of the Commissioners' group by the name of Clifford L. Stoddard.

The expansion of the cemetery is in the progressive stage.

We wish to thank all of the other departments for their splendid cooperation in helping us keep the cemetery in fine condition.

Respectfully submitted,

THEODORE R. THOMPSON
HENRY S. NEWCOMB
CLIFFORD L. STODDARD, (Retired)

Report of the Building Inspector

To the Board of Selectmen and Citizens of Hanover :

The year 1971 showed that the construction of new dwellings totaled 64 as compared to 61 in 1970. The total number of Building Permits increased over the 1970 figure because of the increased amount of commercial construction.

The new dwellings constructed in Hanover over the past ten years are as follows:

1962— 67	1967—106
1963— 44	1968—146
1964— 79	1969—127
1965—159	1970— 61
1966— 84	1971— 64

The Building Permits issued in 1971 were as follows:

New Dwellings	64
Accessory Buildings	14
Additions, Remodeling	40
Business Buildings	26
Signs	29
Swimming Pools	17
Miscellaneous	5
TOTAL PERMITS	195

The estimated cost of the above listed construction as shown on the Building Permit Applications totaled \$2,664,590.00.

The office collected \$4,535.00 in Building Permit Fees in 1971 and this amount was turned over to the Town Treasurer.

Several cases went before the Board of Appeals for their decision. These cases required Board of Appeals approval or a variance from the Town's Zoning By-Law.

This office is located on the second floor of the Town Hall and is open Monday through Friday from 9 a.m. to 12 noon, afternoons by appointment.

Respectfully submitted,

PAUL N. LITCHFIELD
Building Inspector

Report of the Fire Engineers

To the Citizens of the Town of Hanover

The Board of Fire Engineers submits its report for the year 1971. This has been an unusually busy year, averaging 7 to 8 calls a week. We have had a total company response of 1,146 runs this year. This is an increase of 33 per cent over 1970. Some of the unusual calls have been: pony in a swim pool, boy buried in sand, child stuck in cement pipe, cat in sewer drain, also three calls for persons in water — and all successfully revived; persons trapped in cars and under cars, and over 50 resuscitator calls — all handled quickly and efficiently by the department.

Inspections of schools, public buildings and rest homes have been made; fire drills in the schools — talks given to the children in various classes; inspections of sprinklers and fire alarm systems in our industrial and commercial plants, inspection of all oil burner installations and gasoline storage tanks, explosive permits, investigations and various reports all have been properly attended to and processed by the Chief.

Our training program is continuous. Men attend seminars at West Bridgewater in the summer, plus regular training at their own stations. We recently concluded a 5-week training class in Rescue and Extraction Procedures given by Captain Smith of Brockton's famous Squad A. Twenty-two men completed the course and received certificates. Also thirty-three men completed a course in First Aid given by the American Red Cross and hold certificates to this effect.

The new station was completed and the company moved in July. On the 25th we held dedication ceremonies of a Memorial Plaque to former Deputy Chief John H. White. After the ceremonies an open house was held by the men of Company 1.

The new Engine 6 was delivered in late spring and is performing well. The engine purchased at last year's town meeting to be placed at Company 5 will probably be delivered late this spring. It takes nearly two years to build a truck.

This year we replaced the tone equipment at the Communication Center. Also all the station receivers. This should take care of our Alarm System for sometime to come. We stayed within our operating budget, but ran over on our suppression of fire account and had to ask for a transfer. This was due to the increase in runs for this year:

We are asking to replace the rescue truck this year and to purchase a forest fire truck, the present rescue has had a lot of use over the years, body rot has set in — mileage is high and it is getting to be a risk not a rescue on the road.

A new forest truck is needed to help in our suppression of woods and grass fires. The present woods trucks are old army vehicles. They do a good job when running, but it is difficult to get parts and repairs — more so as time goes on.

In our salary account we have added a sum of \$8,200.00 to enable us to employ two men full time for one-half a year. These two men would be stationed at Company 4 Center Station day times from 8 a.m. to 4 p.m. Monday through Friday. We feel that the time has come due to the lack of manpower day times to have two men ready to roll an engine immediately on receiving an alarm. Then we would be certain an engine was responding to the emergency. This is not an attempt to build a permanent fire department. The Board has no intentions at this time to come in 1973 and ask for two more men. Only that we have funds to employ two men 8 hours a day, 5 days a week at the Center Station. We feel this will give us the security we need daytimes, keep our call men as is, and will be sufficient for the next several years. We hope the townspeople will vote for this action.

We thank all of the departments for their help throughout the year. The townspeople for their cooperation when the burning ban went into effect; our thanks to firefighter David Studley and to G. Arthur Smith who retired after many years of service, and to Engineer Edgar Packard who resigned as our clerk after five years of service, and to the men of the Hanover Fire Department our thanks not only for the excellent job done at all our emergencies, but also for the many hours of training that you gave us. Again thank you.

Hanover Board of Fire Engineers

LAWRENCE E. SLANEY, Chief

CHARLES L. INGLIS, Clerk

EDGAR PACKARD

WENDELL BLANCHARD

T. DREW BATES

ERNEST BOURQUE

Report of the Inspector of Wires

To the Board of Selectmen and the Citizens of Hanover:

We hereby submit the Eleventh Annual Report of the Wire Inspector's Department for the period January 1, 1971 to December 31, 1971.

There were 505 permits issued and acted upon.

\$5,947.00 in fees were collected and turned over to the Town Treasurer.

We appreciate the cooperation of the homeowners, contractors, and all departments in making this a safer town electrically.

Respectfully submitted,

GEORGE W. FISHER, Wire Inspector
ROBERT MONTGOMERY, Deputy Inspector

Report of the Board of Health

To the Citizens of the Town of Hanover:

The Board of Health is pleased to submit the following report for the year ending December 31, 1971.

The Board meets every Monday night at 7:30 p.m. When holidays fall on Monday the Board meets on the following Wednesday at the same time. At meetings necessary permits and licenses are issued, matters in connection with subdivisions and public health are gone over and complaints are processed. The Board welcomes meeting with any citizen's group in connection with any activity under our jurisdiction.

Restaurant inspections are on a continuous schedule and each establishment is graded by the inspector and records are on file in the office.

77 Disposal Works Construction Permits were processed during the year 1971.

Several clinics were held during 1971, including Immunization of pre-school children and school children, Flu Vaccine Clinics for

town employees and Golden Agers, Heaf testings in the schools and two Rabies Vaccine Clinics for dogs. An X-ray Mobile Unit Survey and Glaucoma Detection Clinic were not held. The X-ray survey was not held on the recommendation of the Plymouth County Health Association.

The Board was successful in obtaining twenty-three acres of land by eminent domain for the purpose of locating a sewage treatment facility when the need arises. The land consist of five parcels and is bounded by Riverside Drive, the North River and Elm Street. The Board anticipates that an Article will be inserted in the Warrant for 1973 to request final plans for municipal sewage. The problems in the Hanover Four Corners have reached the point where something is going to have to be done.

The mosquito control program conducted by the Board was a success and we are asking for \$8,800.00 to continue the program for 1972. The reason for the additional money is for the cost of aerial application and does not reflect an increase in the program itself. The Board will, for the second successive year, request the townspeople to withdraw from the Plymouth County Mosquito Control Project. After meetings with members of the Reclamation Board and various town officials we were assured that the shortcomings of the project would be corrected and work reports requested by this Board would be submitted to us on a regular basis. No reports have been received nor any work conducted within the town to our knowledge.

Stream and brook clearance under the supervision of our Highway Surveyor have been completed with funds voted at the last town meeting. Iron Mine Brook was cleared from the North River to Broadway, and it is hoped that this year that clearing of the brook will be continued from Tindale's to the disposal area on Rockland Street. This would minimize any possible contamination, from runoff at the dump entering our water supply.

The Board would like to express their appreciation to the townspeople for cooperating with our rules and regulations at the landfill site and realize that conditions, from time to time, have been less than desirable. The schedule and open hours of the dump facility will remain the same until the proposed transfer station (if voted) is erected. We hope that the muddy conditions which have prevailed can be kept to a minimum.

The Board is entering 1972 with confidence that the dump problem has been solved. It is hoped that a special town meeting will be held early in 1972 or Articles will be submitted for the annual town meeting warrant, to consider a transfer station at the present dump site. The refuse will be hauled from the station to a site owned by Cal's Motor Transportation Inc. in Berkley. The Board has signed a contract, pending the vote of the townspeople which allows

\$5 per ton for accepting the refuse and \$2 a ton for trucking the refuse from Hanover to the site. A total of \$7 per ton. Along with the operating cost of the transfer station this is far cheaper than any method of disposing of refuse to date. It is hoped that the transfer station will be in full operation before the Fall of 1972. The present dump would then be covered and sealed, by the town with the equipment presently on the site. This would require more time but the cost involved would be considerably less than having it done by private contractor. The Board requested the Board of Selectmen to insert an Article into the Warrant to purchase or take by eminent domain fifty acres of land in the Atlantic Research complex off Winter Street. The Board felt that the Town should have available land which could be used for a disposal area should any emergency arise or contingencies regarding solid waste disposal which are not known to date. It is believed an additional vote of the town would be required to place the fifty acres of land into a sanitary landfill operation because of zoning requirements. The Board has no intention, at this time, of using this land for anything other than a back-up should something happen and the town be placed in a position with no place for its rubbish. The present land on Rockland Street which is being used as a sanitary landfill operation has been condemned by the State Department and will not be usable in the future as it lies in a water shed which feeds into the Tindale well fields.

On July 7, 1971 the Board voted to stop all percolation tests because of the low water table and drought conditions. The ban was lifted on October 1, 1971. Our rules and regulations governing the sanitary sewage were also revised. When the Water Commissioners declared an emergency on November 3, 1971 and a total ban on all future connections went into effect the Board felt it necessary to draft rules and regulations pertaining to private water supplies. These rules were adopted on November 29, 1971 and govern only water supplies intended for domestic use and do not pertain to wells used for gardens, lawns, etc.

The Board wishes to thank the various town officials for their cooperation and especially Mr. Franklin Ames, Highway Surveyor who has assisted this Board in every way imaginable.

We also wish to thank the citizens for their cooperation in 1971 and look forward to their continued support in 1972.

The following complaints were processed during the year 1971:

- 58 Communicable Diseases
- 69 Complaints of various unsanitary conditions
- 42 Complaints regarding the public water supply
- 27 Sewage complaints
- 14 Brook and pond water complaints

- 8 Reports of sub-standard housing conditions
- 2 Condemned buildings
- 5 Drainage complaints
- 67 Dead animals picked up as health hazards
- 5 Complaints of unsatisfactory milk sold in stores
- 14 Restaurant complaints of uncleanness
- 9 Mosquito complaints
- 57 Miscellaneous complaints
- 24 Dump complaints
- 4 Neglect of children and elderly
- 5 Unsatisfactory products not meeting public health standards (food)
- 1 Noise Pollution
- 1 Roden complaint
- 5 Landlord not providing heat

Respectfully submitted,

ALBERT E. SULLIVAN, JR., Chairman
FREDERICK L. BRIGGS
EDWARD R. HAMMOND, JR.

Report of the Tree Warden

To the Citizens of the Town of Hanover, I submit this report for the year 1971.

Work progressed in seasonal order as follows:

Clean up after winter storms.

Roadside trimming on Water Street, Hanover Street, Old Washington Street, Main Street, Pleasant Street, Pantoosett Road, Myrtle Street and Winter Street. Also at several curves and intersections.

Dormant spray of elms.

Sprays for Elm Leaf Beetle, Tent Caterpillar, Birch Leaf Minor, Oak Leaf Skeletonizer and other insects in particular locations as problems arose.

Continued pruning of the elder sugar maples and removal of those beyond saving.

Poison ivy sprayed in problem locations.

Sampling, testing and removal of 14 Dutch Elm diseased trees.

Responded to many calls for insect pests.

30 new trees of various species planted.

46 trees, other than Elms removed.

Considerable clean up was necessary after storm Doria in early September.

The insect pest of note this season was the Tent Caterpillar. Heavy infestations on wild cherry and fruit trees were common in Southeastern Massachusetts. Timely spraying kept control on our roadsides.

The Oak Leaf Skeletonizer was also present but seemed to have subsided in comparison to last year's infestation.

The most serious pest in Massachusetts this year was the Gypsy Moth Caterpillar. All Tree Wardens kept a close watch in their communities. The whole Northeastern United States, from Virginia to Maine, was declared a quarantine area by the United States Department of Agriculture. A total of 18,000 acres were defoliated in Massachusetts.

My sincere thanks to the citizens, Town officials and many departments of the Town for their cooperation and assistance.

Respectfully submitted,

HERBERT D. SIMMONS
Tree Warden

Report of the Police Department

To the Board of Selectmen and the Citizens of the Town of Hanover :

I hereby submit the following report of the Police Department from Jan. 1, 1971 to Dec. 31, 1971.

We have had a busy year on the Police Department in the Town of Hanover these past 12 months. Most activities have been on the increase and we are not alone, as all Police Departments are faced with this increase.

A major portion of the crimes committed have been by Drug Dependant Persons and this type of Criminal is becoming more and more prevalent in our society. It is hoped that with education, starting at a young age, through the school facilities we are attacking the problem and this will teach the young people the futility of using drugs.

The preliminary plans for a Police Station will be presented at the March Town Meeting. A Police Station Building Committee was appointed by the Town Moderator Mr. George H. Lewald this past year. The following were appointed: Mr. George R. Mowbray, 194 Meadowbrook Road; Mr. Donald L. Brenton, 20 Woodland Drive; Mr. John F. Forry, Jr., 99 Pine Street and Mr. Stephen F. Borrelli 314 Myrtle Street. Mr. Mowbray was chosen as Chairman of this Committee and Mr. Forry as Secretary. There have been several meetings held by the Committee and they have worked very long and diligently to present preliminary plans of a new Police Facility for the March Town Meeting in 1972. The Station to be erected on Washington Street on property donated last year by Mr. Ralph D. Tedeschi of Norwell.

I would like to take this opportunity to thank the people of Hanover, the Board of Selectmen, Neighboring Police Departments, State and County Officers and the Members of the Hanover Police Force for their assistance and cooperation during the past year.

Report of the Board of Appeals

To the Board of Selectmen and Citizens of Hanover :

The Zoning Board of Appeals held twenty-nine public hearings during the year 1971, on applications for permitted uses requiring approval, petitions for variances, and appeals of decisions made by administrative officials, all applicable to the Zoning By-Law.

Twenty-five decisions were filed at the Office of the Town Clerk as prescribed by statute and four petitions were withdrawn without prejudice by the petitioners. Also, the hearing process was initiated for two applications which will extend into 1972.

The following dispositions were received this year on decisions appealed to a higher authority: (Case No. 70-4), Tri-Town Homes Inc., decision of Board affirmed, July 9, 1971 by Second District Court of Plymouth. (Case No. 70-5), Country Village Corporation, decision vacated July 13, 1971 and Board directed to issue comprehensive permit by Housing Appeals Committee, Dept. of Community Affairs. The Town of Hanover appealed this decision to Superior Court and has been reported to the Supreme Judicial Court, decision pending. (Case No. 70-14) Robert Shortall; the Board was notified by Town Counsel that June 10, 1971, Judge Collins, Plymouth Superior Court, stated that the decision denying the Shortall's variance was defective because decision did not set forth reasons why Board was denying variance. (Case No. 70-15), Joseph S. Cippola, Frank A. Cheverie et al, decision annulled August 16, 1971 by Judge Collins, Plymouth Superior Court. The Board has received notice from the Planning Board that they are appealing the decision on Case No. 71-27, Broad Construction Corp., to Plymouth Superior Court.

We wish to thank all Town Officials and personnel of the Town Hall for the cooperation extended to the Board this year.

Respectfully submitted,

ZONING BOARD OF APPEALS
JAMES S. OLDHAM, Chairman
JAMES E. THOMPSON, Co-Chairman
KENNETH R. LINGLEY
Associate Members
RAY G. HILL
WILLIAM A. THOMPSON
RUSSELL F. RIPLEY

Report of the Tax Collector

To the Board of Selectmen, Town of Hanover:

To the Taxpayers of the Town of Hanover "Thank You."

Thank you for your understanding and patience this Fall when your Real Estate Tax Bills were mailed late, showing a number of different due dates and, in most instances, a considerable increase in tax over last year's bill.

Your gracious acceptance of this situation and concern, consideration and prompt payment was indeed a helpful factor in maintaining sanity in this department through a very difficult period. Hopefully next year our bills will be mailed in a more conventional manner.

I also wish to thank Town Officials and employees for the help and consideration given this department throughout the year.

I submit, herewith, the annual report of the collections of taxes and water charges for the year ending December 31, 1971.

Respectfully submitted,

ELEANOR S. BLAISDELL
Collector of Taxes and Water Rates

Report of the Development and Industrial Commission

To the Citizens of Hanover:

The Development and Industrial Commission has met during the past year.

We have contacted companies that we thought might like to settle in Hanover as well as assisted those companies already in town.

We have assisted the Selectmen in the development of the Hanover Mall and advised in the planning of the industrial area adjoining the Mall.

The water shortage has slowed us down somewhat like many other South Shore towns but we have planned meetings with these towns to discuss this problem.

We intend to draw up a brochure of Hanover showing and highlighting its many advantages and assets.

Our meetings are the third Monday evening of each month.

Persons or companies seeking appointments with the Commission may do so by contacting the Selectmen's Office or any member of the Commission.

We wish to thank the Selectmen and the Planning Board for all their help.

Respectfully submitted,

JOHN E. CONDON, Chairman
ALBERT GIBBS
LOUIS ESTABROOK
ROBERT SHORTALL
WILLIAM LEVA

Report of the Plumbing Inspectors

To the Board of Selectmen and the
Citizens of Hanover:

We hereby submit our Annual Report of the Plumbing Inspector's Department for the period of January 1, 1971 to December 31, 1971.

There were 192 permits issued and acted upon.

\$1,184.00 in fees collected and turned over to the Town Treasurer.

We appreciate the cooperation of the homeowner, contractors, and all Town Departments.

Respectfully submitted,

ROBERT J. STEWART,
Plumbing Inspector
THEODORE F. LUSCINSKI
Assistant Inspector

Hanover Park and Recreation Committee

The Hanover recreation facilities are becoming more essential daily to the youth and adults of the town. The summer recreation program had 1,200 children weekly.

The tennis courts are in full operation, with tennis in the summer and skating in the winter. Three men's softball leagues, 52 baseball and girls' softball teams plus groups conducting special events used our fields this year.

Planned for this year is full lighting of all facilities at B. Everett Hall Playground and completion of the paving. A one-hole practice golf green and picnic area at Myrtle Street Playground. A combination baseball-softball field and a basketball court at Ellis Field.

The Committee feels a Town Pool would be very desirable to make swimming instruction available to all the children in addition to the recreational aspects it would offer to all the citizens of Hanover.

Respectfully submitted,

RICHARD J. COLLINS, Chairman
JAMES M. WHEELER
JOHN McBAIN
ROBERT BASILIERE
HAROLD S. SMITH
Hanover Park & Recreation Committee

Report of Civil Defense

To the Citizens of Hanover:

Your Civil Defense continues to function on a standby basis and stands ready to assist the townspeople in the event of any severe emergencies. The year of 1971 was free of any such emergencies and the only monies expended were for supplies and equipment for the Highway and Fire Departments.

Our thanks to the Emergency Communications Center for their participation in the monthly checkerboard alert.

Respectfully submitted,

WALTER L. COLBY, Director
JOHN THOMSON, Deputy Director

Report of the Animal Inspector

To the Citizens of Hanover:

I submit my report for the year 1971.

I investigated:

- 46 Dog Bites
- 1 Horse Bite
- 1 Rabbit Bite

All were released from suspicion of rabies. There were no specimens for the laboratory.

We have:

- 89 Horses
- 29 Ponies
- 25 Sheep
- 3 Beef
- 1 Dairy Cow
- 3 Goats

I travelled approximately 663 miles.

Respectfully submitted,

JOHN E. CONDON
Animal Inspector

Report of the Highway Surveyor

To the Citizens of Hanover:

I hereby submit my eighteenth annual report of the activities of the Highway Department for the year 1971.

Beginning with the first day of January, we had nine major snowstorms, with several minor storms which required only sanding.

With winter over, we spent five weeks cleaning sand from the highways. 1,135 catchbasins were also cleaned.

Walnut Street, Bardin Street and Broadway were surface treated with asphalt and sand with a mix-in-place surface on a portion of Circuit Street.

Silver Street was completed from Donna Drive to Route 139.

Reconstruction was continued on Plain Street for a thousand feet.

Our Chapter 90 project was the continuation of the rebuilding of Cedar Street with only 500 feet being left for next year.

The Chapter 90 maintenance funds were spent on Whiting Street from Webster Street to Cedar Street.

A new 2-yard, bucket loader was purchased along with a new automatic sand spreader.

Under the Brook and Stream Clearance program, Iron Mine Brook was cleaned from Riverside Drive to Broadway with a new culvert being installed on Old Elm Street.

About 600 feet of drainage with catchbasins were installed on Plain Street, a new culvert on Broadway and several minor drainage projects were accomplished throughout the Town, under the sponsorship of the Drainage Committee.

At this time, I wish to express my appreciation to the Officials and Citizens of Hanover for their fine cooperation, also the Police Department, School Custodians and the Communication Center for their unlimited services extended to the Highway Department during the winter months.

Respectfully submitted,

S. FRANKLIN AMES
Highway Surveyor

South Shore Vocational High School Report of the South Shore Regional School District Committeeman

During the year 1971 the school passed two milestones: (1) the last payment on the bond issue was made, and (2) for the first time there were a sufficient number of applicants from the member towns to fill the school to capacity. No more tuition pupils will be admitted hereafter. This happy condition results no doubt from the disillusionment of the parent and the pupils with college degrees. The first milestone saved the Town \$20,000.00 and the second saved the Town \$9,000.00, a total of \$29,000.00.

Another innovation made during 1971 was the employment of a woman teacher for English. In spite of our misgivings this situation has been a happy one. We are also proud of our record of employment among our graduates. Every graduate of this school is now employed or is attending a school of higher education. This happy situation is due to the efforts of the staff and particularly of the guidance director and the assistant director.

The budget for the year 1972 includes a sum of money to employ a consultant to study the several possibilities for expanding the services of the school.

Now for the bad news. Once again the Massachusetts Educational Conference Board has filed a bill to repeal Section 16D of Chapter 71, which provided 15 per cent additional Chapter 70 aid to towns which were members of a regional district. It also included in the same bill the repeal of Chapter 74 aid to vocational schools. The first of these amendments will cost the town of Hanover \$110,000.00 per year. The second will cost another \$42,000.00. This is the same legislation which was passed in 1965 and which we were able to have repealed. This time it will require more than the effort of the school committees and the professional associations. I will alert the town through its officials of the time when action is required.

Respectfully submitted,

VALENTINE F. HARRINGTON

School Department Annual Report 1971

Growing up is never easy, especially in times like these. Growth and change have been experienced by the 3200 young people and the 300 adults who work with them in our schools this year. This School Department Report for 1971 highlights some four aspects of that growth.

Growth in curriculum, teaching techniques and school plant has occurred at all levels. The aim of these changes is to provide real educational opportunities for each young person. Basic communications skills are being given high priority. A new English syllabus was developed for grades 9-12 by staff members and successfully introduced. A new language arts program is in successful operation in the elementary schools. Similar updating should progress through the grades and in various subjects in the next few years.

A health education curriculum is being developed, pilot tested and made operational throughout the grades. Some activities already occurring include: drug education programs in the middle grades, rap sessions and special units in academic subjects at the high school, and personal development programs in the primary schools. Much has been done, yet there is much to do in this critical area of physical well being.

Summer school has expanded its offerings not only to challenge the creative interests and talents of younger children and to provide special help for those with learning disabilities, but also to give remediation in basic subjects for those in the middle and upper grades. In future summers, expanded school department activities for students and the community should be expected.

Growth in teaching techniques are many and varied. Video tapes are no longer a novelty but a valuable educational tool at Cedar School. Closed circuit TV, development of learning centers, team teaching, programmed transitional classes, cooperative teaching and differentiating the types of teaching and class size may sound like educational jargon but in the Hanover Schools of 1971 have specific meanings which should lead towards more effective learning.

Growth in the school plant in 1971 saw the construction of the 800 student part of the Junior High School. Capacity occupancy on opening day and favorable state legislation has indicated the need and the means by which the building can be expanded to its design capability of 1200 students.

A second area of growth in 1971 concerns student involvement and choice. Short, intensive courses in topics of high student interest, often known as mini courses, have tried to foster the capacity and desire for lifelong learning and allow exploration in prevocational and hobby activities. The junior high has tried such topics as conservation, fashion and black history. The senior high has full course electives in literature of the sea, project physics and drama. Musical activities include increased participation in instrumental lessons and growth in the size and skill of both vocal and instrumental groups at the intermediate grades, and the introduction of a woodwind and brass ensemble at the high school. Musical groups share their skill with fellow students in other Hanover schools, performances for parents, golden agers, at sports activities and even at a shopping center. Extensive club programs, participation reaching 80 per cent at times, student participation in many local contests testify to the involvement of young people and the voluntary leadership given by their teachers.

Two other types of student involvement became pronounced in 1971. A Hanover student was able to take part in a student exchange program with another land and an exchange student from Sweden attended Hanover High. High schoolers served as tutors in the primary grades and middle school students helped first graders. National Honor Society members underlook a service project to help fellow students with their studies. Increased student involvement is part of growing up; these learning experiences can increase a young person's respect for the community of man and the meaning of democratic living.

A third aspect of growth involves increased professional competence and public understanding. Staff members in record numbers have attended conferences and take professional college courses. In-service programs developed by school personnel have included a regional conference for 300 adults dealing with learning disabilities, a multitown conference on reading practices, workshops in math teaching techniques, audio visual materials and cuisenaire rods. Through cooperative arrangements with local colleges, block assignment of practice teachers has proved advantageous to Hanover youngsters and college students alike. Parents have attended individual conferences at better than 90 per cent level. Many community groups such as the PTA, Hanover Women's Club, Visiting Nurse Association, JC and JC-ettes have given time and money to help young people in many ways; we extend our thanks to all such groups. Citizen groups have become increasingly interested in school activities so the schools have sponsored programs on educational topics for all interested. A music boosters club of parents has been organized, and various athletic support groups all aid extra curricular endeavors. The local newspapers have been most cooperative in printing school releases and some 976 articles have been printed in the four papers in recent

months. The staff has been engaged in these activities over and above their teaching duties and their improvement, and public recognition of their work has led to better opportunities for the youth.

A last aspect of growth to be mentioned in this report involves recognition of accomplishment. Student achievements were noted at all levels with the high school academic and athletic activities serving as an example. Of the 1971 graduates, 61 per cent accepted higher education placement with the others realizing their goals upon entry into a variety of occupations. Four young people received National Merit Letters of Commendation. Boys' football and girls' basketball teams earned league titles. Ice hockey was introduced as a varsity sport. Hundreds of young people made personal achievements on intramural, JV and varsity teams.

At the professional level Hanover High School received an increasingly rare 10 Year Accreditation as the result of the evaluation by the New England Association of College and Secondary Schools. This recognition is due to the continued high performance of the principal, Mr. Donald Virtue, and his staff and their extended effort and time spent in the months preceeding this evaluation. With continued effort and progress, the school, its staff and students should maintain this rating proof of the quality of performance the town has come to expect from its schools at all levels.

School expenditures are reported in summary form once again and interested citizens are referred to earlier reports for a fuller explanation. For more detail and for answers to specific questions, individuals are invited to call the department's office at Curtis School.

CODE NO.	AREA	SALARIES	EXPENSES	TOTAL
1000	Administration (inc. School Committee & Supt's. Office)	\$71,485.71	\$12,776.82	\$84,262.53
2000	Instruction (inc. Principals, Teaching, Library, Guidance, Audio- visual, Psychological)	1,871,310.39	190,618.49	2,061,928.88
3000	Other School Services (inc. Attendance, Adjustment Counselor, Health, Transporta- tion, Food Services, Student Activities inc. athletics)	129,074.92	236,012.40	365,087.32
4000	Operation and Maintenance— Plant (inc. Custodial, Utilities, Heat, Repairs and General Maintenance)	145,821.01	127,464.65	273,285.66
5000	Insurance (motor vehicles & football)		2,085.01	2,085.01
7000	Acquisition of Fixed Assets (inc. Improvement & Replace- ment of sites, buildings and equipment)		37,783.46	37,783.46

9000 Transfers (tuition) to other school systems		8,940.23	8,940.23
TOTAL	<u>\$2,217,692.03</u>	<u>\$615,681.06</u>	<u>\$2,833,373.09</u>

Note: To coincide with Accountant's Report — regular day program, special education, summer school, vocational and adult education are totaled in above. Instruction is 72.7 per cent of expenses

South Shore Regional School District

TREASURER'S REPORT 1971

In accordance with Section XII of the South Shore Regional School District Agreement effective January 6, 1960, I submit herewith details of the 1971 financial transactions of the School District.

Details are presented with respect to the 1971 estimated expenditures; apportionment of estimated expenditures to member towns, actual cash receipts and disbursements, balance sheet and statement of outstanding debt as of December 31, 1971.

Total operating costs for the year were \$620,347.34 which involved salaries and wages of \$434,306.85 and other expenses of \$186,040.49 details of which are shown in the cash expenditures schedule.

Capital Outlay costs for the year were \$233,841.49 involving cost of new equipment in the amount of \$69,041.49 and bond principal and interest payments totalling \$164,800.00 as shown in the expenditures schedule.

The above mentioned bond principal and interest payment made in August 1971 was the final installment due on a 10-year construction loan, the original amount of which was \$1,600,000.00 with interest payable at 3 per cent. Therefore, the School District has no outstanding funded or fixed debt.

Expenditures under Federal Grant accounts were as follows:

Account	Salaries	Equipment	Total
George Barden-Smith Hughes		\$2,037.59	
PL 87-415 Manpower			
Development		659.22	
PL 88-210 New Equipment		1,766.94	
PL 90-576 Welding —			
Disadvantaged Persons	\$6,795.00	1,806.00	
PL 90-576 Work Study	405.00		
E.S.E.A. Title II			
Library Extension		359.03	
	<hr/>	<hr/>	<hr/>
	\$7,200.00	\$6,628.78	\$13,828.78

Various additional expenditures under self-explanatory titles were made as per details set forth in the expenditure schedule.

On November 11, 1971, the School District Committee reached an agreement under the collective bargaining law of the State of Massachusetts with the South Shore Regional Vocational Teachers Federation, Local No. 1896, AFL-CIO granting teacher salary increases for the school year 1971-72 approximating 9.1 per cent and for the school year 1972-73 approximating 5.5 per cent. The new contract will expire August 31, 1973 and negotiations for a subsequent agreement will commence no sooner than February 1, 1973.

The salary increases granted are in accordance with the Federal Government wage freeze rules and regulations. Retro-active salary increases for the period September 1, 1971 through November 13, 1971 in the total amount of \$8,641.78 have not been paid in accordance with present Federal Government wage freeze regulations. It is anticipated that the retro-active salary increase for the period September 1, 1971 through November 13, 1971 will be paid in 1972 after enabling legislation has been approved by the Massachusetts Legislature.

Surplus Revenue was determined to be \$180,572.78 as of December 31, 1971 and was derived from the following sources:

Balance Jan. 1, 1971		\$181,056.73
Additions:		
Excess of 1971 District Receipts over Estimates Used:		
1971 Tuition Income	\$37,591.18	
1971 Shop Income	15,665.33	
1971 Misc. Income	10,813.88	
Unexpended Appropriation Balances of 1971 Operating Costs	10,445.66	
		<u>74,516.05</u>
		<u>\$255,572.78</u>
Deductions:		
1970 Surplus Revenue Used To Reduce 1971 Operating Costs		\$75,000.00
Balance, Dec. 31, 1971		<u>\$180,572.78</u>

A \$50,000.00 portion of 1971 Surplus Revenue has been voted by the District Committee to be used to reduce the 1972 Operating Cost

Assessment to member towns resulting in a remaining balance of \$130,572.78.

An amount of Surplus Revenue equivalent to three months expenditures is necessary to enable payment of School District Expenditures between January 1 and April 1 of each year inasmuch as the annual assessment revenue received by the School District from member towns is payable in quarterly installments on the first day of April, June, August and December of each year.

Respectfully submitted,

JOHN A. ASHTON, Treasurer

Report of the Hanover Town Accountant

Board of Selectmen
Hanover, Mass.

Gentlemen:

I submit, herewith, the annual report of the Town Accountant in accordance with Chapter 41, Section 61, of the General Laws of Massachusetts for the year ending December 31, 1971, showing in detail the receipts and expenditures of the various Town Departments. Also included is a balance sheet showing the General Accounts, Debt Accounts, and Trust Funds.

The accounts of the Treasurer and Tax Collector were found to be in agreement with amounts shown in this report.

I would like to publicly thank all of the various Town Officials for the cooperation they have extended to me throughout the year.

Respectfully submitted,

JOHN A. ASHTON
Town Accountant

February 1, 1972
