**This section is to be filled out by the well driller:**

***Hanover's setbacks for irrigation wells:*** (see Regulations for Potable well setbacks)

*50 ft. from leaching field*

*25 ft. from septic tank or sewer line*

*10 ft. from property line*

*Attach a copy of the septic As- built with the proposed well location in relation to the septic system and property lines. If no As-built is available, draw the location below of the proposed well in relation to the house, septic system and property line. Must show measurements. If the well is less than 50 ft. (must be at least 10 ft.) from the property line, you must locate the abutters septic system to ensure it meets the required 50 ft. setback from a leaching field.*

***Completion Report must be submitted by the Well Driller.***
