Mimi,

Isaksen Solar would like to withdraw without prejudice for the special permit application at 55 Broadway Hanover, MA, due to reducing the number of panel and do not need an 800SQFT structure.

Thank you.

Averie-  
Hi.

I heard you were reducing the size of the project at 53 Broadway, Hanover, MA 02339 and need to formally withdraw your application for the Planning Board.

Can you please send us a quick response asking to withdraw without prejudice, due to that you reduced the number of panels so that you do not need the 800 feet size.

Thanks so much  
Mimi
