The Hanover Conservation Commission will hold a Public Hearing relative to the protection of wetlands on Wednesday, January 31, 2024, (hearing start at 6:15 PM) in the second floor hearing room at Town Hall and via remote meeting (instructions to join the meeting will be printed on the Conservation meeting agenda available at www.hanover-ma.gov). The Commission is to hear the petition of Jay Holmes, PO Box 931, Hanover, for a Notice of Intent filed by Grady Consulting, LLC, Kingston, MA Phone: 781-585-2300, for proposed work described as the abandonment of failed septic system, installation of new Title V rated septic disposal system and stormwater management improvements within riverfront area to an un-named stream with erosion control materials proposed within inner riparian zone. This parcel is located at 2110 Washington St. and is designated on Hanover Assessor's Maps as Plan 5, Lot 037. Electronic copies of the Notice of Intent may be requested from the Conservation Office at conservation@hanover-ma.gov or you may contact the office of the Applicant's Engineering Representative at the telephone number listed above. It is advisable to contact the Conservation Office on the day of the hearing *before* 4:00 PM to confirm scheduled hearings.
