

# Survey Responses Summary

Between May 1 and May 13, 2023, 316 Hanover residents completed the B. Everett Hall Field Survey. Below is a summary of quantitative responses and a copy of all short answer responses.

## DEMOGRAPHIC DATA

43% live in Zone 1 or within a mile of B. Everett Hall Field

36% live in Zone 2 or within 2 miles of B. Everett Hall Field

17% live in Zone 3 or within 3 miles of B. Everett Hall Field

4% live in Zone 4 or further than 4 miles from B. Everett Hall Field

### Age of survey respondents

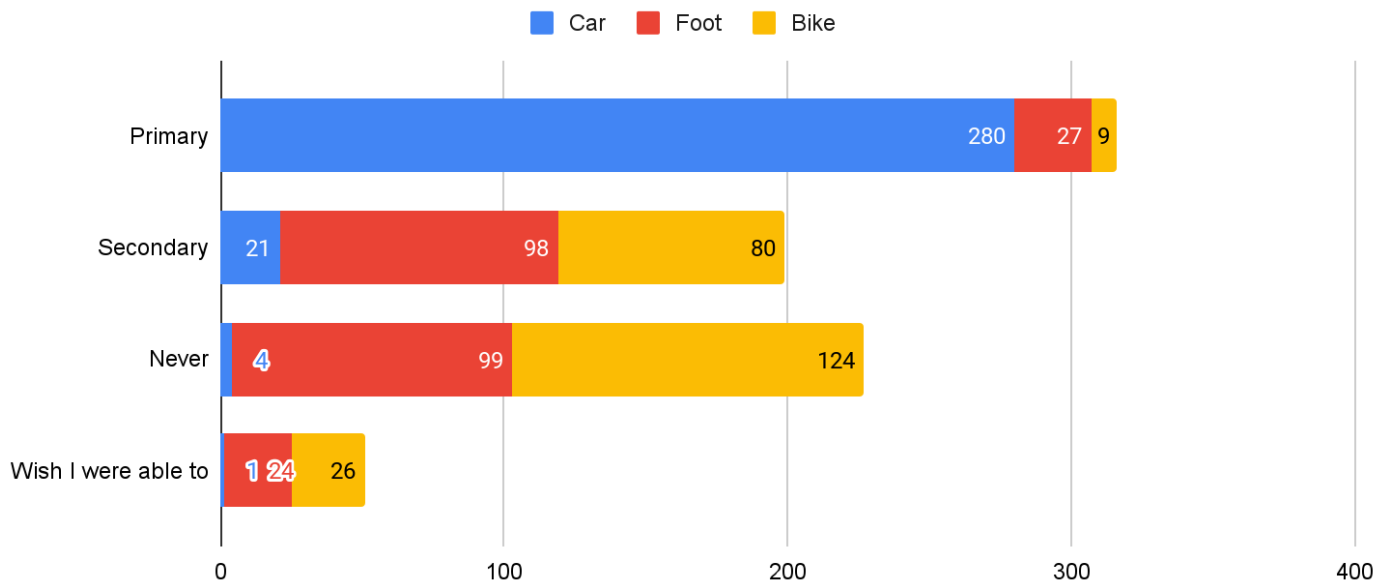

# ACCESS AND TRANSPORTATION

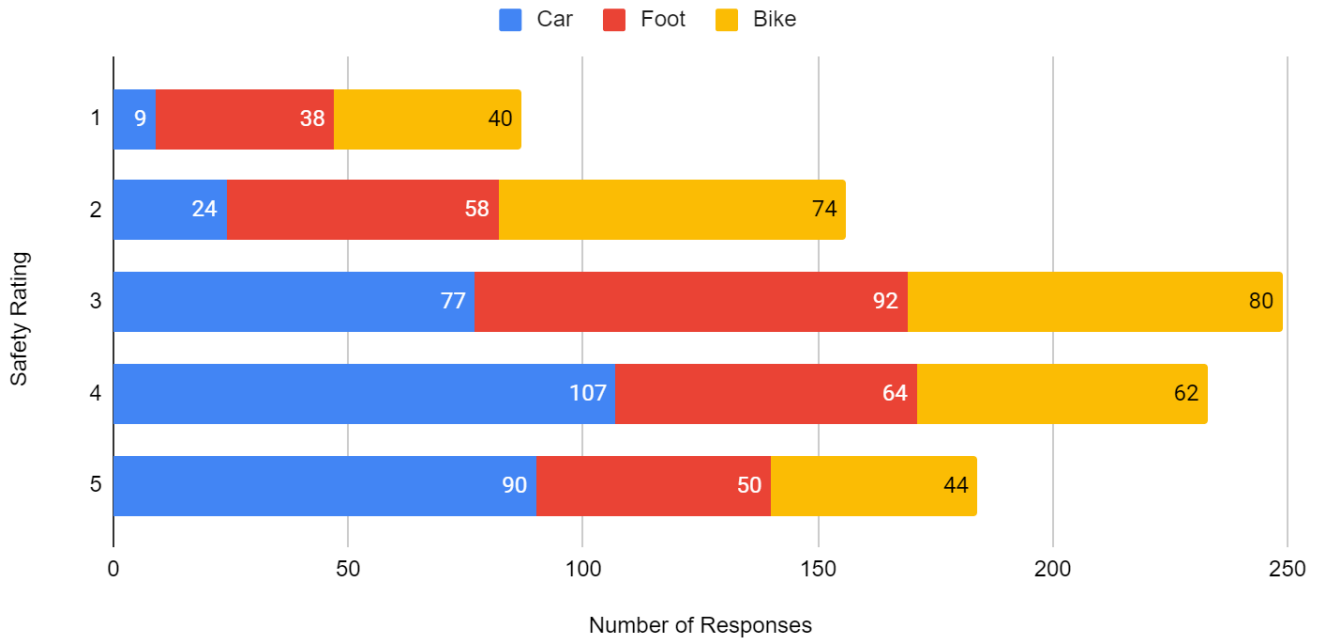

Length of commute to the park

Primary mode of transport for getting to the park

## Sense of safety entering/exiting the park by different modes of transport

## Would anything make you more inclined to walk or bike in/to Town Center?

Sidewalks or bike lane on Main Street.  
However, prefer to drive.

Sidewalks

Walking or bike paths

No

More trees! Something to look at/screen  
from traffic.

Bike lanes, clear paths/sidewalks

No, not a fan of biking on state highway.

More sidewalks so it's safer to walk.

N/A

If sidewalks existed to get me to Rt 139 from  
Circuit St. Its not safe to walk or bicycle on  
Circuit St.

Crossing 139 is an impediment, but I don't  
want to see a large stop light system in  
Town Center. Traffic pattern should be  
reworked to include a rotary

scenery, flora and fauna. The fields look very  
desolate and uninviting to me

no

Would like nicer seating area between

Walkways

The traffic would be a danger if I chose to walk from the library with my 3 kids, lots of people do speed down that road

Slower speed limit

No

No

no

Better crossing signals

Yes if better playground

Maybe if it was safer to reach

sidewalks all around town. Down Main street and into the center of town

Side walk on center st

Traffic lights with cross walks

Different traffic patterns

More sidewalks in town

No-very busy part of town

No - no sidewalks to safely walk from my residence to these places then to then walk to B. Everett Hall Field.

N/A

No

No

Nothing I can think of

No

veterans memorial and school

No

Safer passage in center of town. Dangerous intersection

No

No

No

Crosswalks with lights.

Sidewalks on Old Silver would be helpful. We live off Old Silver Street. The street we live on is not very busy, but has side walks. Old Silver does not have sidewalks. When we walk or bike we go through the cemetery to avoid cars.

Crosswalk

Yes a coffee shop, something that made it safer to cross the street. Or safety barriers between the street and sidewalk

Sidewalks. A light or stop in the center of town. A walking bridge connecting library area to fields

More pathways and traffic lights

Athletic fields or dog park

If there was a walking path or loop around the field, library, Stetson House I would go there to walk instead of Forge Pond Park

Yes a safe sidewalk on Silver street. A light would also be needed at crazy intersection with 139 to cross to the library, but sidewalks to the school would get us to the

Sidewalks!!!

no. this space must remain a sports field

Side-walks, clear, safe crosswalks, slow speed roads.

Sidewalks on main street

Walk

Better access to sidewalks on Main Street and Silver Street

No

Slower speed limit, more crosswalks traffic lights

No

Sidewalks on center street

No

No

No

No

No

No

Bike paths

Less traffic in the center

Sidewalks or bike paths that go all the way to my house. If/when the rail trail gets extended fully, across town, a spur to get to the fields and library would be amazing

Sidewalk

Would walk if there's sidewalks on silver, live

parks and fields as well at least.

A grassy common area. A rotary to keep traffic from turning left out of silver at.

Walk

Yes - if 139 wasn't a state highway with semi's whizzing by over the speed limit. Not safe.

Already walk

Safe paths

No

Coffee shop

A traffic light or crosswalk walking lights like at Wollaston Beach

no

No

If there were sidewalks

Walk or bike trails

No

Better sidewalk signage. Crossing is fine you just have to be patient. More signage to yield to pedestrian would be good.

The intersection in front of the library is crowded and I don't feel it is safe for pedestrians.

no

No

Signage and safer pedestrian cross on 139

on birch

Yes if better path system like forge pond

My goodness this town needs sidewalks.  
Amazing that more runners and bikers  
aren't hit by cars...

No

Side walks on center street, people adhering  
to the crosswalks in front of the field

none of these places are a bike destination

Sidewalks! I can't walk or bike to the field bc  
spring street and most of Hanover has no  
sidewalks aside from in front of the field

Better grass to utilize the fields with the kids

No, I wouldn't feel safe riding a bike through  
the center of Hanover and I don't think a  
bike lane would be utilized properly by  
motorists

Enhanced crosswalks at route 53 and  
Hanover St

No. Traffic of town center makes it  
unpleasant to wander around on foot.

Paths/trails leading to the park.

I would ride my bike or walk if Main Street  
was safer for those activities

Traffic light to cross 139

No- frequently have hockey equipment or  
dog with me to go between these places, so  
car is needed.

better sidewalks

More people stopping at cross walks.

Sidewalks on Broadway & Spring streets

No

Yes, sidewalks on Main Street.

More visible cross walks, stop light at cross  
walk, sidewalk or bike bath on main street

No

Traffic Control

Sidewalk on silver street and other roads in  
town...Main Street as well.

Sidewalks

SIDEWALKS

More sidewalks in Hanover

Sidewalks and wider roads on Main Street -  
Would love to walk more. I will occasionally  
walk to Center School to volunteer - but it is  
dangerous on Main and Silver without  
sidewalks and I won't bring the children.

Better crossing and traffic flow

No

Sidewalks

Yes I think if we had more cross walks with  
signals and or lights that forced cars to stop  
after the button to cross is hit

Not sure.

No I go for different reasons

Biking would require a safe bike lane and  
walking requires sidewalks which Hanover

No

Pedestrian crosswalk with light (unpopular, I know)

Sidewalks or wider roads with bike lane

No

More sidewalks from Four Corners to Main Street

Better planning on my part

More sidewalks on silver st

Bridge from library ?

A walking path all the way around the field

Bike paths

No

Trails around the field

Maybe a crosswalk light by the Stetson House

More sidewalks

The cross walk that is near the basketball court needs a button to have a light stop traffic.

Sidewalks

No

Exterior walking path

Sidewalks close to my house

lacks

More sidewalks connecting

Yes , walking path

no

Noit at this time

Sidewalks around town would be nice

No

no

Stop lights with crosswalks, lights at cross walk signs

More safe sidewalks, they stop to the right of the school

If crossing 139 on foot was safer, I would be more inclined

Traffic stop light

No sidewalks on Main Street. I drive.

A stop light with crosswalk

No

Bike lanes

a path or connecting trail would help

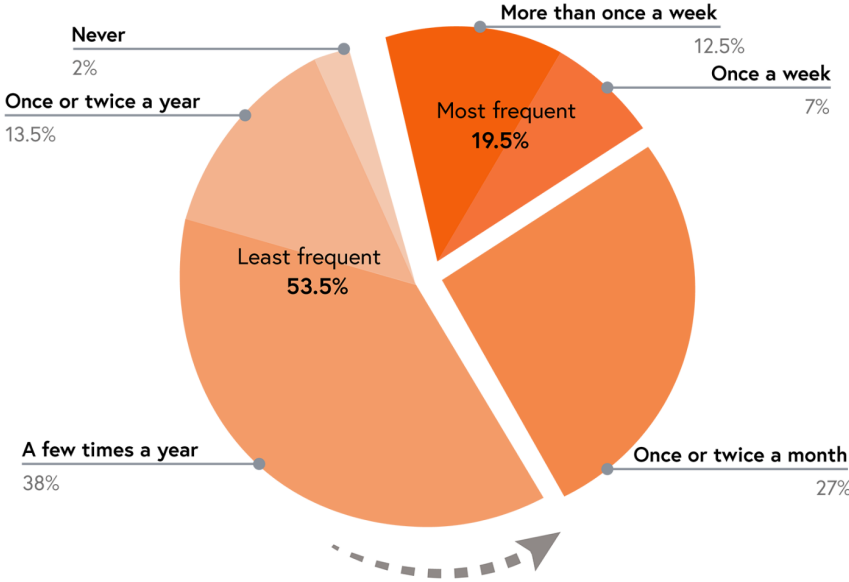

no

safer intersection of Main/Silver/Hanover Sts

I would use the facilities more often if there were a dog park.

# USE

How frequently do residents use B. Everett Hall Field?

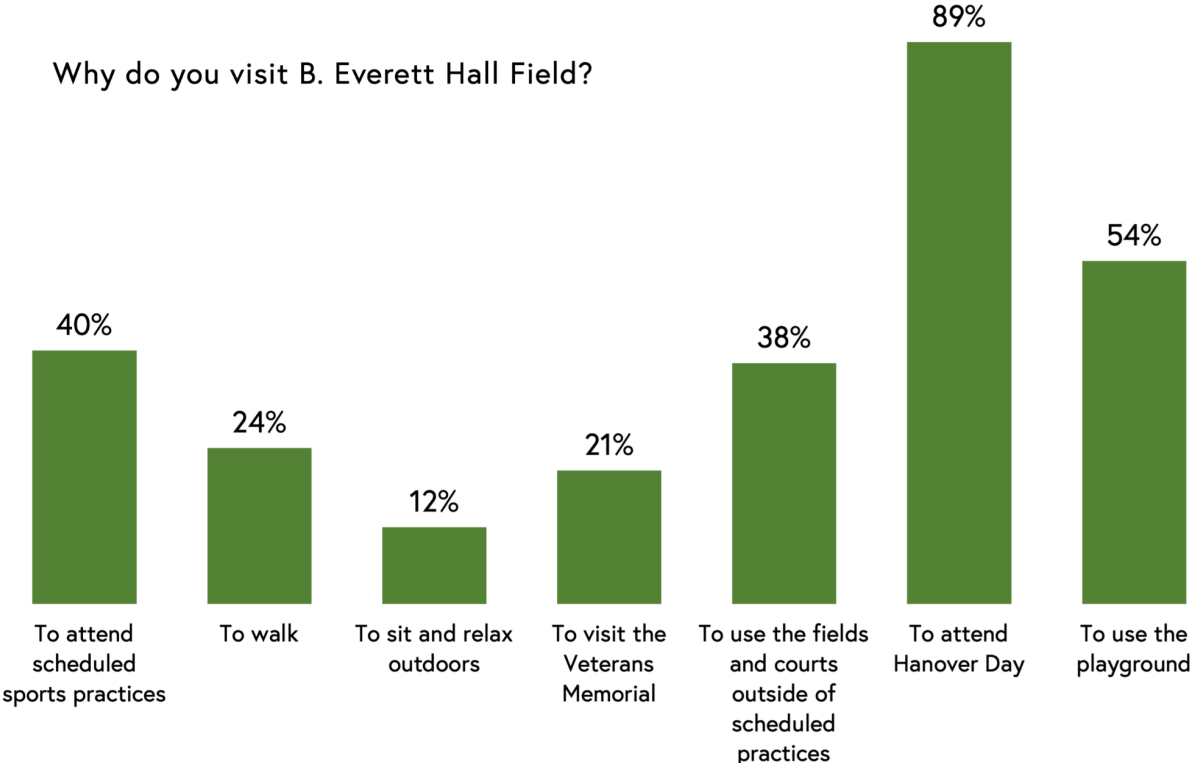

48% of survey respondents come to B. Everett Hall Field with their children or grandchildren.

38% come with friends.

14% come by themselves.

13% come with their dogs.

Why do you visit B. Everett Hall Field?

## Why don't you use B. Everett Hall Field more frequently?

Since kids are now in college nothing to do up there

Choose other playgrounds. Baseball field is a mess — needs a serious upgrade to mound, basepaths, infield dirt and lines.

No reason

Sidewalks from Main St

Not much to do besides the playground.

I go to forge pond

My kids don't play organized sports and it's too far to walk for them.

There is no shade. No walking path. No seating that is relaxing. Playgrounds are isolated from the field. Old courts. No covering in field area.

N/A

Most of my sports are at forge pond.

We use forge pond Park. (Kids too old for playground)

Better fields

Not enough trail connections

I also use Forge Pond Park

Because there isn't any sports I do there

Nothing there for an adult

Because my children are older and there isn't much to do there unless an event or game is going on

No tennis court. No shade on the playground in the hot afternoons.

Work and the fields are dusty

Can't play baseball there in the winter

Nothing to do, no place to sit

Quality of fields is low

too busy working.

My children's sports are elsewhere

Weather, too busy

There's not a draw to it. The playground is run down and the facilities aren't appealing

The playground is small and field is in rough shape

No paved walking path

Too far to walk, no sidewalks on Main Street

There isn't much there anymore for my family and after you move the bandstand to the middle of the parking lot unless you hold a town event there there isn't much reason to go

We use it during football months.

Football and baseball

I go to forge pond park to walk

Terrible field conditions

My kids don't play sports over there anymore

No enough space and school kids are there during day

Nothing there for me to use

Nothing for me

No occasion

Not much there, a bit rundown

My kids are in college now

Live closer to Forge Pond Park

Age of children and amenities don't really match. My kids have no real interest any longer in play structures.

No time

Kids are grown

No young children

No need or events

It's used for youth sports most of the time and I have no young children.

Not much there

Nothing to do there

No longer fits our families needs

we use it pretty frequently

Not much there

All for kids. Need more adult offerings

I do use it frequently

Limited options for activities

NA

Kids are older. Use for sports

No particular reason to use it or not use it. Kids are too old for the playground, so now we go to use the roller rink and/or baseball field.

Nowhere to walk or watch

I use Forge Pond Park mostly.

No need, there's nothing there

Our kids need more useable fields for our sports. The only fields that really can be used is forge pond and the High School. Hanover has so many random fields that need make overs. We pay so much money in taxes and it's embarrassing having other towns come.

To watch my sons baseball games

Lack of time

N/A

Kids are older

Football practice drop off and pickup baseball games for my 7th grade son.

Its an open field being used by several sports teams. I don't have more reasons to use it.

Not very appealing to me

Appeal, it's not a great place to walk or sit. I understand if you're playing basketball, baseball or hockey, but if you're looking for passive rec, it's not my choice to go

We keep busy in sports and events

Busy plus i like variety  
No time  
Nothing happens for me to involve in  
No playable soccer fields  
Limited facility for my age group  
No reason, just not part of my routine.  
Busy  
No place to walk  
There is nothing there if specific interest to me  
The playground is too high and dangerous  
Forge pond is easier to walk at  
Other preferred spaces in town  
Kids have out grown desire for play ground  
No amenities, nets, walking paths, grass not kept up  
Less convenient than Forge Pond Park  
Chesna rink  
i use it often  
I coach HYAA Football and am at the field daily during the season  
Dont have young kids anymore.  
it's not that nice. no accommodations  
Out dated playground, courts etc, under developed field space  
Bad grass

I go to forge or other places to walk  
Bike other places  
Didn't realize there was even a baseball field there cause I never see anyone play on it  
Not too much there to do  
Nothing there for me  
Only used the playground and sports fields and my kids have grown out of those  
Kids like to use other fields as well.  
When my kids were little we were there often. Now that they are older we have other activities.  
The playground is unsafe, landscaping and grass area around the playground is gross overgrown and usually littered upon  
The field is awful. The grass is atrocious and it's a dirt fest  
Kids are getting older  
I'm not sure. We go to the parks and meet friends for a flag football game Thanksgiving week. Also there regularly for school functions. But there are no soccer or lacrosse or other nets for practice so if kids want to practice those sports we go to Forge  
Not much there, all the kids sports are at forge pond.  
No pickleball  
Not dog friendly  
Kids are getting older

My kids are older and not interested in the playground

Walking, practice pickleball at tennis court

I use B. Everett when my son has a baseball game there. We used to use the playground a lot, but now our kids are older.

Nothing to do there for me

We do use it a lot to play with the kids

We drive to forge pond park to walk daily, if B. Everett had walking paths we would go daily.

My children have essentially outgrown the playground at this point. Also, my kid's sports are not held here. I take my dog for a walk there on occasion when field is not in use. Find myself tight on time most days to go to the field. There isn't much there for me/my family to make me find time to go.... too bad because we live SO CLOSE to the field.

Outside of school/town events. Nothing to go for

No need to/ time to use it

My kids use it all the time as practice fields

My kids are grown. No baseball games to go to!

Other parks is my area

Nothing there for me to go for

Time, not enough event

Not maintained well by DPW. Leafs and

See it more as a youth sports field than for recreation purposes like forge pond.

I come for Hanover Day. I don't have anyone who I know who is playing baseball there.

Not a great place to go. Nothing to do other than attend my kids practice or games.

Unsafe playground

Playground is a little basic for my kids ages

No need

No need

Not appealing

I use it a lot

Less use as children got older

Don't know

Kids are older now

I work too much and my kids have aged out of the fields there.

There isn't a track and the playground isn't great.

Hanover Day, sports, walking

Event

THERE ARE NO PICKLEBALL COURTS WHERE ALL AGES CAN PLAY TOGETHER.

Weather, school in session

My kids sports are at forge pond.

Nothing if value to me

We work full time and the kids are in

trash everywhere

There's not much of a reason to visit

Not in good shape

We use it a ton

When schools in session or sports games going on

Kids are grown, don't have a dog

My kids can go there without me on most days

Sporting activities for children

It's uneven / dangerous to walk

Scheduled events on the field and inclement weather

Limited play area for children

Children don't play baseball. We just use the playground

Kids use the playground mostly. They get bored.

I would if there was a dog park, a pickleball court, another tennis court, or paved track to run on.

olde forge

Children getting older

Not enough parking, kids outgrew the playgrounds

There isn't much to do there and tend to go to forge pond

Sports

daycare/school and activities. So we are busy.

Minimal play structures for children under 2

My kids are young, we use the playgrounds but the public playground is not always our first choice due to the trash build up we see all over the ground. Playground could use a some attention and upgrades.

I live very close to forge pond park

No need.

Went quite often when kids were younger. Used play structure then walked trails in the woods there. The field is often being used for sports games or practices which is why I go less often now

Not much there

Lack of time, weather

I use it now

We will go to the playground, but would prefer Forge Pond for field use.

Access to bathrooms

Do other things with my friends

I am a baseball umpire

I will as my kids get older

I come with my cousins in the summer

Kids are in college now. Not playing town sports anymore.

Sports are at other fields

Not much offered for those in my age bracket

I am a coach and a father and have lived in the town for all my life, I am at the field multiple times a week to coach multiple sports teams throughout the year, I also take my kids and dog down there multiple times a week to walk, play on the playground, play basketball, street hockey and many other sports on the grass fields

Field is not maintained. Park is not attractive.

I work

Baseball field run down. The baseball field should have fences, more seating and fixed up and used.

I spend most of my recreational time on wooded trails.

Rather walk elsewhere

Only attend special events

Would love a walking trail around the field a kin to Forges. Or more of an open field for play or picnics

Could be better

Children are grown so no playground or sports. There is nothing else there for adults to do on their own.

no need

Grass and lighting in poor condition

Time

Life commitments

No reason to go other than Hanover day

Go to Forge

It's just open area not much to do.

not much there

Not enough diversity of activities

We go often

Theres nothing there I need. We have walking trails at Forge Pond. This should be kept for the school and kids activities.

outdated playground

Tennis courts are no longer maintained, street hockey not used, bandstand in disrepair

Close to home for my children and quick walk to enjoy sports and fields that aren't crowed like forge

Not much that interests me other than those selections in the next box

Traffic

Work

Playground and place to throw a ball or frisbee

No passive recreational options or adult recreational facilities.

Hanover has a great variety of parks to walk the dog.

Busy

busy life

My Children are old enough to go on their own.

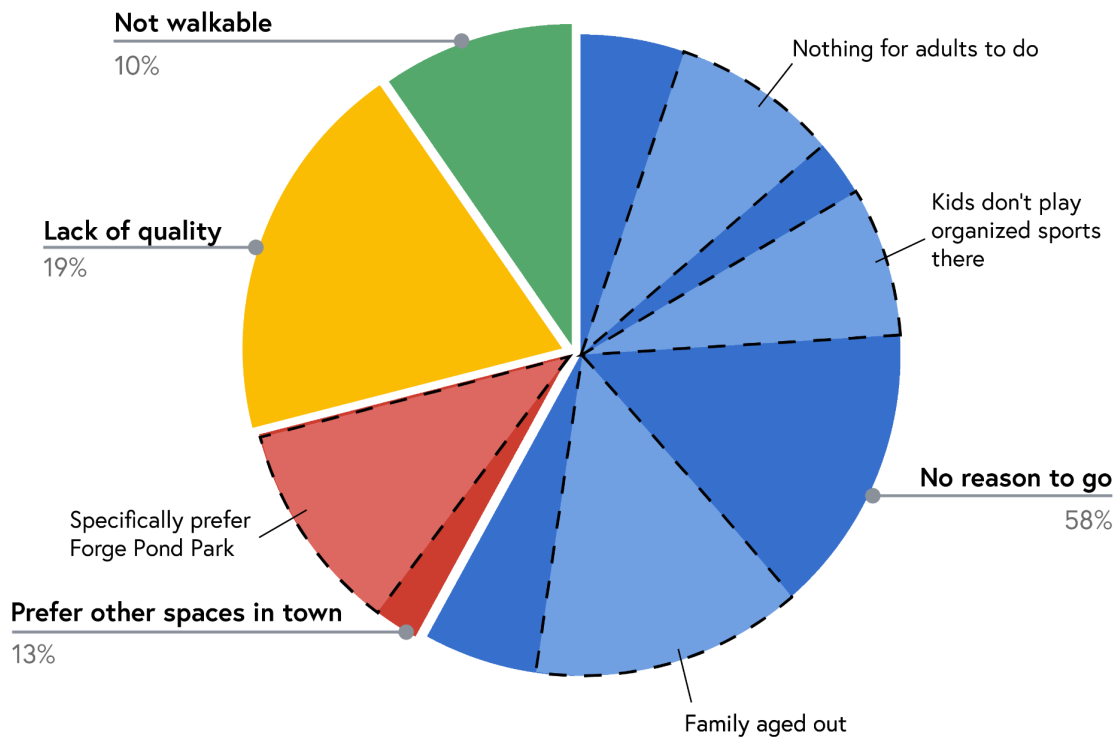

Nothing to offer. Field in poor condition

children are older

I walk my dogs daily at King Street fields, and only use Sylvester field for a change of pace.

### Summary Chart for the Previous Short Answer Question

Reasons residents **don't** use B. Everett Hall Field **more** frequently than they do

# PERCEPTIONS OF EXISTING CONDITIONS

---

Rate the quality of the following areas at B. Everett Hall Field:

## Which elements of B. Everett Hall Field do you enjoy the most?

Playground for grandchildren, General open space

Easy to get to

Sports fields

Playground

Openness

Playground and Hanover Day

Open field being able to walk my dog

Team sports, recreational facilities

Hockey/Playground

The variety of playgrounds in the area

Field for functions in town

None really

Sports

Community gatherings

Multiple options/activities

Playground, if I had to pick one.

Playground

It is an under utilized space

Sports

Currently-Hanover Day & baseball

Location

That football and baseball are still enjoyed there

None	Football
Play ground/street hockey park/ sports field	Hockey Rink
Community gatherings	Baseball
Using the fields for sports	Watching my sons play baseball.
Nothing	I love watching my son oaky baseball as my daughters play at the park.
Playground	Sports fields
Gathering of towns people	The ability to practice football and baseball
Playground and sports fields	Available fields for our youth and Hanover Day
Community gatherings	Location - close to home
Unsure	Trees
Playground, bandstand area	Rink
Playground - only non-school one in town	none right now
Baseball field for older kids	The ball field for the kids!
Sports fields	Proximity in town
Veteran's memorial	Quiet in the mornings
Open space	Hanover day
hockey rink baseball/football field	None It needs to be revamped
Hockey rink, playground concept	The playground
The playground	Important to maintain/improve large baseball field and football practice space
Trails and sports fields	When my kids were little it was the playground
Sporting fields	
Playground and Sports Fields	Central location. Park, basketball courts
Sports eventa	Open field. Access to cedar playground.

Roller rink

Spots

Playground for kids

Location and where it sits in the town

The playground

Memorial

The abilities to have multiple different facilities all in one spot

Playground, community

Playground and vet memorial

Gatherings

Playground

The baseball field if it was in good shape

Playground and proximity to center of town. Traffic is a concern

Baseball Field, Basketball Courts

Love Hanover Day!

The playground

The playground with my kids or watching my kids practice

Playground

Hanover day

Fields

Space and apparatus for kids to play, dog to run

Walkability to home

It's awful right now and the only place for middle to HS kids to play baseball

Playground

Playground and fields

Size. It has a lot of space. But mostly we play on the playground

Hanover day, but it's too crowded

Kids sports

The wide open space

Field and playground

Fields

It is a huge space.

The playground

Veterans Memorial

Center of town location. Only real "downtown" we have

Family/walk friendly

Playground and fields for sports

Playgrounds

Open space, Hanover day, bandstand

Open space for youth sports

Sports

Playground

Proximity and ease of access, nostalgic value, the fact it has something for

The skate park and playground

The rink, the courts, and the school all being connected

Greenspace, playground

Rink

Veterans memorial

The amount of parking and the playgrounds

Playground, Hanover Days

Location close to my house for outside activities

playground

Hockey

Open space; playground

The playground

Sports fields

Hanover Day, but that should be moved to Forge Pond, more room, better parking

Hockey rink

The Veteran's Memorial and the open spaces that are used for Hanover Day.

Access, location, fields, courts and playgrounds

A park that combines these elements

The park

everyone.

My family really enjoys Hanover Day but it is starting to feel like the field is a bit too small.

The playground

Hanover Day, playgrounds

That it's the center of town with Center School and Sylvester. A place for large town gatherings and a large public field.

Hard courts, fields

The playground

Main playground, Hanover day

Having a few activities in one location; playground, rink and courts easily walkable to

Town wide gatherings like Hanover day

None

Location.

How folks come to gather and how it is located in a great part of town

Courts / music at pavilion / bonfire

Playground

Large open space

The playground and basketball courts

The playground

Accessibility. Variety.

Baseball field

The overall variety of options within the center of town	Playground
None of it	Playgrounds
Location?	Playground
Location	The playgrounds
When kids were younger, the playground was a nice place to go	Ball field
Basketball courts, story trail, sports field	That's it's been the town center my whole life
Playground	Street hockey
Veterans and Hanover day and basketball and tennis	Memorial is very special
watching a ball game while in my car	Skate park
Playground, courts	Area
The sports fields	Gathering for spectator events and sports rink
Sports field	Community events (Hanover day etc...)
Proximity to center of town, would love walking trails, turf field, upgraded playground	There are a group of places to hangout sunny convenient
Athletic Fields for youth sports	Playground
community gatherings	Football practice
Street hockey rink & playgrounds & Hanover Day	Community gatherings
Playground	Walking my dog
Access but be much safer for all to enjoy if there were lit cross walks and strictly enforced!	Playground and bandstand
Watching kids play sports	How close it is to my house
	None presently.
	Wide open space

There's a lot of space to utilize - but it's not utilize well

Playground & walking

the playground

Playgrounds and the nature trail at Center has some surprising native plants: tons of mayapple, blueberries, spring ephemerals over there

None

the playground and basketball courts

The openess of it, options of the field, and courts

nothing

Central location

Hockey rink

Walking the dogs in nature

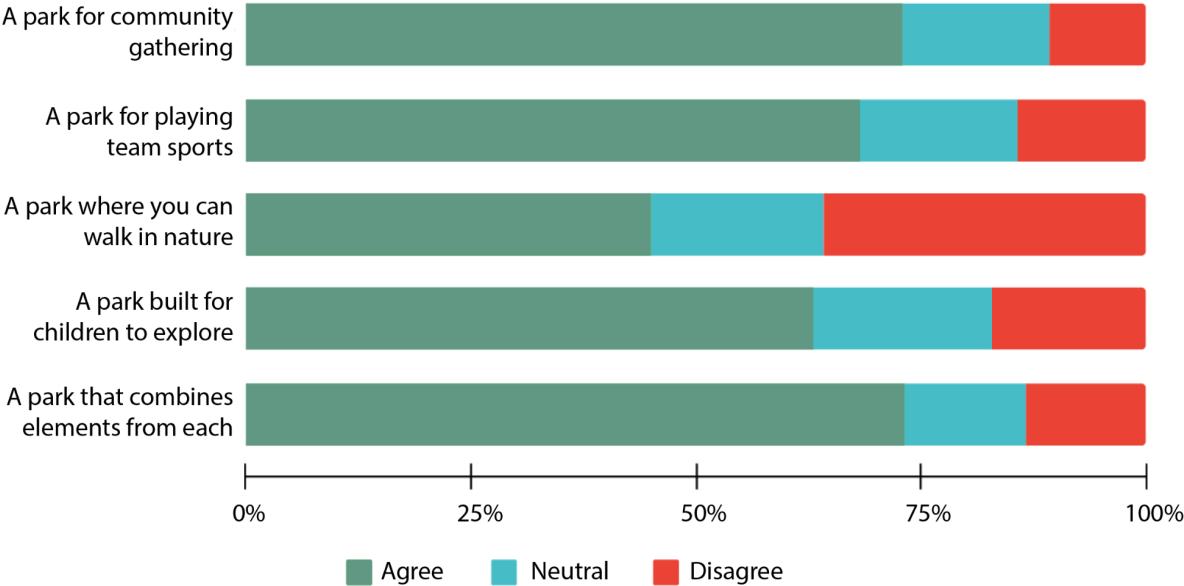

### Summary Chart for the Previous Short Answer Question

Which elements of the park do you enjoy the most?  
(5 most frequently mentioned elements)

# ENVISIONING THE PARK'S POTENTIAL

## B. Everett Hall Field should be...

## What kind of outdoor spaces or recreation do you wish you had access to in Hanover?

Walking paths, gardens, concert shell

Pickle Ball, Golf Simulator, Volleyball

Volleyball

Trails for easy, kid-friendly hikes

SOCCER!

The rules for basketball courts are insane.  
No games?!

Lights for after dark and turf (or at least nicely trimmed grass with no geese poop) with painted lines. Our youth football teams have a bad field they practice at.

Splash pad for kids / updated playground / paved walking

It would be great if it was made of turf. Soccer/ football/ lacrosse fields. Softball and baseball as well.

Walking/running path, benches, bathrooms, water bubbler

Turf field with lights

Skate park

Walking trails

Forge Pond and dog walking

Skate park

More open sports fields

Pickleball courts

Bike park

More sidewalks to reach my friends on main street

Dog park!

Skateboard park

Pickleball courts

More outdoor music events

Dog park, most spaces I want I have (outdoors), hiking

Walking paths, bike trails

More fields for baseball or soccer

I have no requests

More concert spaces, tennis courts

Volleyball courts

Nicer Sports fields. There is a desperate need for more turf and more fields to benefit our youth.

More parks for kids

Tracks, places with lights, scoreboards, seating

Dog park, pickle ball courts (that have lights)

We need more turf fields and more usable land for our youth programs. Forge is very strict on what nights certain sports can be held on.

I would like B Everett baseball field to improved. It's in horror condition. Other towns that visit comment on the poor condition.

Pickle Ball

More sports fields

Improve existing baseball fields and dugouts.

I want them to improve the baseball field. Lighting would be great and seating for spectators.

N/A

Pickleball courts

Better baseball fields for youth / babe Ruth age - with night lights

Improve the fields at B. Everett Hall for baseball and football.

Summer concerts, family shows, pickle ball

Sidewalks for walking, jogging. There are very few, making it dangerous for our citizens to go for a safe walk without

Walking track, nicer playground  
Pickle ball  
Walk with my dogs, bird-watching.  
Better practice fields for football  
More sporting fields  
Better baseball fields highschool sized fields, seating and dugouts  
Pickleball, place to sit  
More walking trails  
I wish the playground was updated.  
Quiet spaces handicapped accessible with places to sit  
Another multipurpose turf field.  
Concerts  
For for the whole community to use  
Shuffleboard, Pickleball  
Paved walking path  
More dog friendly walking trails  
I would like to see the baseball field be comparable to other towns' fields. We need dugouts, scoreboard, lights, closer back stop. Kids in Hanover stop playing baseball at the middle school  
Bike paths, ice skating in winter  
Pickleball, dog park, walking lane like forge (laps)  
More turf fields, pickle ball courts

driving somewhere else first.  
Walking trails, would love to see the ugly backstop gone  
Bocce Ball  
Better sports fields  
More walking trails - build up myrtle at field a few inches for more useable field- too soggy swampy. Looks like grass but is NOT dry. Myrtle at parking lot needs to be cleaned - it's gross - more barrels!  
Better baseball field for older kids  
Golf driving range  
None  
Pickleball  
Pickleball courts  
Nothing I can think of  
Splash area for kids. My kids have outgrown that use, but it would be great for future generations.  
Updated playground with bathrooms  
Nicer playgrounds more green places to host events. Everyone hosts events in parking lots in Hanover but we need a space in the center of town where we can gather for community events. Benches. Green fields.  
Dog park  
Dog park  
Dog park, walking trail, turf field, larger

Safer biking and walking infrastructure, more basketball and sport courts, more turf fields for muddy season

lights, closer backstop, aesthetically pleasing

A dog park , concerts at bandstand

Better shaded playground

Dog friendly, walking path, kid friendly

Usable grass or turf fields in my area

Pickleball courts, need to start an association.

More tennis courts.

Turf baseball fields

Sidewalks on Main Street.

baseball, football

More walking paths , since we have no sidewalks.

New skateboarding park would be great!!!

Better lacrosse,football and soccer fields

Dog park!

Skate park and more hockey rinks

Pickle Ball courts

More walking trails, sidewalks, children's playgrounds

Dog park, more walking places, community gardens

More after hours opportunities for town's

updates playground

Soccer or Lacrosse nets would be helpful. We also love the greenway and walking trails. Would love safer places to bike more

Winter ice skating, farmers market, a track, good tennis courts

Pickleball

A much needed Dog Park / Area where dogs could stretch their legs and dog owners could meet up. This issue was shut down years ago and should be made a reality to the many tax paying dog owners that would like a safe place to go that is walkable ( which most of Hanover is not )  
TY

Fields, playground

More sports fields for our kids

Pickle ball

I have the access I want in Hanover.

More updated park area and playground.

Hanover offers what I need

Place for events like plant sales, Hanover Day, fireworks

More fields for children, young adults and adults to play 

Better sports facilities

Happy with access we have today

pickleball courts

I wish all the trails connected. A measured

youth  
Pickle ball courts  
Dog park  
Better basketball hoops/courts  
Splash pad for kids, turf fields for all season use,  
Splash pad, tennis courts  
Another playground  
It would be nice to have places to sit and relax  
Picnic areas, multi use space  
Pickle ball court  
More trails  
Walking trails  
Maybe a skateboard park and pickle ball  
Dog park, skate park for kids, a large nice playground with covered eating area (like Marshfields near the library)  
Pickleball courts, public swimming pool, paved 1/4 mile track for running  
Love for the fields to be in better shape for sports. And would love to see a dog park.  
More spread out play structures (a playground at forge pond please!) well maintained basketball courts  
Turf fields  
pickleball, walking trails  
Community pool, recreation building, love

“track/loop” doesn’t need to be pavement around the space would be great. Dog park. Pickle ball.

We need another turf field

I wish we had a better playground

pickleball courts

Splash pad for kids would be nice, but really more playground space to promote kids being outside and playing

Dog park. Outdoor workout area (pull up bars).

Youth fields

Another track, more swings for smaller children.

Dog Park (please!)

Park like spaces with walking path and play entertainment for children

A better public playground

I have access to plenty of outdoor space in hanover

Walkways, bike trails

More walking and biking trails

Dog Park / walking path/area

Sidewalks, updated playgrounds

We need more sports fields (soccer and baseball)

Dog park, splash pad

Bathroom

to see parks and rec back there for summer

The ocean! But, I'll take a lake or swimmable pond in the short-term absence of rising sea-levels. :)

We need to modernize the fields as a whole. The grass fields have patches of dirt and rocks and the lighting is poor and is a safety hazard. The basketball courts, baseball fields, playgrounds need to be updated. Turf fields should be looked at as a long term alternative.

Playground and basketball hoops

Fix the baseball field

Better baseball fields for high school kids

Walking trails

Traffic light at the intersection of main and 139

Open field with nice gardens for picnics with walking space around said field

Places just to sit on a bench or chair and enjoy the day. Some place with regular bathroom access.

Lacrosse wall, youth football facilities

Improved playground, outdoor seating, bathrooms, walking path

Tennis courts, golf course

Tennis courts. Disc golf.

Pickle ball

Trails, nicer baseball fields for my kids.

Walking paths, fields for sports, dog park

Skate park

More water filling stations, better bathrooms

Dog walking.

Sidewalks on Main Street. Pickleball courts outside free

More events like Hanover day

Sidewalks

Walking / running track we could also use a dog park area in Hanover

dog park

Pickleball

New volleyball area

I think we have plenty of outdoor space for adults to access. It's the kids that need better fields, dugouts - etc.

we have wonderful fields currently

Dog park

Gardens and trees

More fields for football, walking dogs

Fitness/obstacle course, dog park

Pickleball

BEH Field has several uses, but primarily is used for youth athletics. As we have other fields for that use now, we would like to create more passive recreation opportunities for all ages - a place to go for

Better fields for other sports  
Safe walking along main roads  
Turf field, dog park  
Additional turf athletic fields. Much needed for both youth and High School athletic teams  
Dog Park  
Bike path, indoor track that is open to the public.  
  
More athletic fields  
Turf Fields; top-quality playground(s)  
More walking paths  
A better playground for kids 2-12 Similar to the Marshfield playground that is next to their library  
Paved walking path  
More open walking or biking trails, splash pad for kids or a community pool  
walking track

a walk or sit and read - while maintaining a few of the athletic courts, including basketball, the children's playground and the hockey rink, and adding restroom facilities, pickleball and a roofed meeting/picnic space. Those new features would transform the park and the town, which is what our vision and should be the central focus of this project.

PickleBall courts. Bike lanes.

A bike trail

Dog park, pickleball court,

Traditional Town Center for holiday celebrations. Non-athletic activities such as farmers market and/or performing arts shows.

general use parks, picnic areas

Soccer fields, dog park

Dog Park

### **What new features would you like to see at B. Everett Hall Field?**

Pickle Ball, Tennis, Pond (like Whitman's town park)

Just take care of what we have

Lights, sidewalk on Main St

Fields for kids and teams to play sports

Turf Field? Better/Updated Playground?  
Better Lighting for Night Activities

Paved walkway around perimeter

Bathrooms! Clean, well-lit, safe, etc.  
Skate park, a real one  
Native plants and water reclamation!!  
Path around the field. Cover from sun.  
Benches.  
Multi-use turf with lights  
Walkways to connect  
A track to walk  
Ice skating rink  
Not sure  
Pickle ball and updated sports field  
Walking paths  
Bike park  
Dog park  
The fields and area need to be updated,  
courts and playground could use a facelift.  
Parking is tricky.  
Skateboard park  
Pickleball courts  
Again: more music  
Unsure  
Better upkeep of the grounds, nicer grass,  
better front paved area  
Update/maintain the playground  
Playground improvement/expansion  
Baseball field fence

larger playground with cushion bottom  
and good for multiple ages  
A good paved walking path  
no pesticides, leaf blowers, and turf that is  
not mowed to death. We need water  
reclamation areas in town as our  
groundwater is becoming depleted in  
New England. Biodiverse plantings within  
the necessary turf for town gatherings  
would be fantastic and show our  
suburban townspeople that giving back  
to nature while living modern lives is  
possible and enriches all our lives.  
Solar panels to help decrease our  
electricity, love to see parks and rec  
offered here again  
trees flowers would be great at B field  
Football / lacrosse turf  
Better sports field for football practice and  
baseball  
Better fields  
New turf for the athletic field  
Bathrooms for sure. A community garden  
area.  
Paved walking / updated playground /  
splash pad  
Turf, updated features in the playground,  
better defined walking areas  
Clean up fields  
A nicer ball field! It's embarrassing when  
playing other towns

A better playground, an actual playground, not the blue and yellow thing at Center School

Volleyball courts; walking track

turf sports field

Improved playground, walking track

Pickle ball courts

Benches

Better fields

Better sports surfaces

Better Playground - handicap accessible; turf playing field; splash pad

Improved field for baseball, dugouts and fan seating

Traffic lights / slower speed limit. nice place to sit/walk people watch with nice multi use sport field

Walking trails

Updated and kept up ball field as well as remainder of area's there kept up

Area to sit and enjoy outdoors

Would be nice to have a better walkway from the parking lot to the playground. picnic baskets would be nice too.

Multipurpose turf field with lights

Community Gatherings

Bathroom!

Pickleball courts

Track

Better lights for the football practices

Flowers and paved paths,

Artificial Turf to save on maintenance costs

Improvements to the baseball field

Better grass, Lights

None

Improved dugouts

Lighting, more parking, seating, park clean up

N/A

Pickleball courts

Better field for sports, night light available and walking path around to enjoy walks/run while games and practice are going on

Better facilities for football and baseball

Improved fields!!!

Walking trails

I like it how it is and don't want to pay a penny for changing it. If someone else is paying for it, then do whatever they want.

More trees, more plantings

More trees and plantings/pathways

Bocce

new updated fields and playground

I would love a paved walking path

Restroom

Walking path, picnic tables and covering,  
updated playground and courts

Dugouts, scoreboard, closer backstop, safer  
playground, bathrooms

I'd love skating in winter

Lighted Ball Fields

Turf fields and pickleball courts

More shaded seating (perhaps a perimeter  
walking path with trees

better fields and lights

Better lighting, bathroom, field turf

Updated playground equipment for older  
children or more structures in general

Upgraded park with shade, better walking  
trails, get the tennis court and volley ball  
court usable

new baseball diamond

Parking, walking trail, updated play area

Fix the grass

Upgrades to the fields used for sports,  
maintained like forge pond

Pickleball courts

Better field conditions and nighttime  
lighting.

Turf baseball/ multi sport fields

Better features for ball kids, update  
playground!

Stands to watch games

Better sports fields

Spectator seating

More appealing for baseball

A gathering area w benches w and w out  
shade etc. Walking space. Bathrooms .

Pickleball

Pickleball courts

Improved fields

Clean it up, improve what is there. Forge  
Pond and nature trails cover everything  
else. Plus traffic is horrid there so why  
would we try to attract more activity than  
is already there??

Playground and sports fields updated (for  
older kids)

Pickleball courts

More trash barrels, bathrooms, walking  
trails,

Benches bathrooms gathering areas.  
Better maintenance and trash pickup and  
landscaping.

Lighting, new baseball diamond, youth  
football fields bathrooms

Dog Park, Pathways

Walking or biking trail

more seating for sports

Walking /biking paths

Basketball hoops and playground

\*\*\*\*The playground needs to be updated- the grounds that you need to walk on to access it is a terrible mess!!!! And actually a horrible tripping hazard- many toddlers have tripped and fallen due to the unstable ground, loose rocks and bricks from an old walkway, stumps from old trees- for a place that is supposed to serve the youngest, learning to walk, in our town, it's really unacceptable. I think this area, for that reason alone, needs a fair amount of attention. We need new picnic tables there, and some in a SHADED space- current ones bake in the sun. I'd like new and updated tennis courts (current one appears to never be maintained).... The entire field overall, with exception of skate park, just looks tired and neglected!! Some landscaping around the areas would be nice- area around skate park looks unfinished.

More/better trash receptacles are also needed. Is there space for a small dog park? Maybe a SPLASH PAD for young families!!

new skateboarding park!!!

Sporting fields with turf and lines and playground updates

Dog park!

A skatepark and bathrooms

I like it the way it is

Playground, walking trails, athletic field

Better benches or picnic tables, bathroom facility,

More sports nets. If playground is considered then upgraded equipment

Better grass, less goose droppings, artificial pond, bigger skate park, bathroom facilities

Pickleball

Turf for sports trams

Dedicated pickleball courts. The ones at the High School are on the tennis courts and hard to see the lines - and the court is far too big.

Street hockey park

Pickle ball

I can't think of any.

Bath house

A more updated and better maintained picnic area with a nice flat surface

Expansion of the Veterans Memorial

More gardens and seating/walking paths

None , leave it as is

All for kids

Better sports facilities

None

Pickle ball courts

Bigger, better playgrounds

Community gardens, walking paths

Someplace to relax, enjoy a conversation with a friend over coffee

Pickle ball courts

Improved, modern fields and water splash pad

Splash pad

Easier walking area to go from center school to main playground

Would love to see the grass leveled out and be able to use it for more practices. A walking path around the outside perimeter would be great.

Gathering place for residents...bike space

Permanent coverage from the weather

Trails and pickle ball court

Walking trails in the woods if possible. Maybe more benches and covered seating by the courts

Improved/updated playground. Area for kids to gather and play - basketball, street hockey, skate park etc.; dog park

More sports courts - pickleball and a solid practice wall/area for tennis and pickleball

Improved surface area for football program and safe baseball facility

Paved trails

Measure walking loop, dog park, cafe

pickleball courts where all ages can play together.

Updated playground

Just cleaned up and landscaped/cared for better. Improved walkability

Outdoor workout area. Pull up bars. Parallel bars. Updated bathrooms. Water fountains that work.

Pickleball courts rather than tennis, upgraded sport fields

Updated playground equipment.

More walking paths, more play structures for small children

Updated playground

Real bathrooms

Decent Toilet Facilities

Move the band stand. Poor placement. More walking trails

Better maintenance of the grounds / add pathways for walking and sidewalks to get to the field from surrounding neighborhoods

Walking paths

Needs to be updated, better maintenance and updated park

I would like to see a soccer field and lights

More community friendly, walkable, and nicer fields, path for walking/biking/roller

Unsure

Turf and more lights

Senior Housing

Splash pad, music venue,

Synthetic sports fields, updated playground

The bandstand is in an awful place. It should be moved to the fields areas so that it can actually be used as a bandstand. Or, build a real bandstand out in the fields and keep the existing one for other dumb stuff like it is used for now. I don't play pickleball, but I bet some of my friends would like a court or two..

Turf Fields, Modernization of the all fields and courts/rinks, playgrounds and better lighting so that you can utilize it at night.

Add bathrooms

I would like to see better quality open space. I think we could eliminate the ball field and provide a perimeter walking trail. I feel it it critical to keep the field generally wide open for use of Hanover Day.

Nice grass, more seating, upgraded playground on the right side. With the school there the public cannot play there with younger children during school hours.

Bathrooms

I've stated already: picnics and walks. A place to enjoy nature.

Better bathrooms.

Lacrosse wall, improved youth football training grounds.

blading for children

Bathrooms. Enhanced picnic area. More trails for walking.

Change the location of the baseball field as was presented in the plan proposed when the new school was built

Bathroom and sidewalks

Trails

Pavilion with picnic tables for events

Already mentioned

Walking trails or paths

A new name

Permanent open bathrooms and pickleball next to the basketball

More like forge pond park a little of everything, dog park as well , walking paths

Better playground/courts

Walking , relaxing area

new playground, dog park replace volleyball with pickle ball

Pickleball, exercise and camaraderie

Wooded trails and new Volleyball court

Lights

upgrade playground equipment

Not sure

Nature, trees, plants, good soil less dust

Improved playground

Keep tennis maintained. Monuments/history

dog park

Tennis court, more playground variety,  
bathroom

An accessible playground is needed in Hanover. I love the addition of the skate park. I think the field should be for recreation for all people. I think the old tennis court should be turned to a pickleball court. It should be a safe place people can ride bikes and walk to to enjoy spending time outside

Turf fields, dugouts for baseball

Lights for sports field

Turf field, walking paths, upgraded playground

More turf fields for youth and HS sports

Nothing

Landscaping, weed & brush clearing, clean up, nicer permanent restrooms

Local art, bathroom, food truck event?

Improved quality of grounds; paved walkway of perimeter

New grass and fields, updates courts and playground

More seating

Playground and picnic tables

Updated basketball court

It is our plan and desire for your group to design an Olmstead inspired park, similar to Whitman Town Park, while improving parking, replacing the rest room facilities, maintaining the hockey rink, replacing and improving the basketball court, maintaining the playground, adding several pickleball courts and a roofed meeting/picnic space.ng

Not sure

My kids would love to see the skate park improved

A place to accommodate non-athletic community events events

Picnic, family gathering areas

Nature element

Dog Park

**Elaborate on anything that feels important to you.**

**Topics could include: playgrounds, parking/car safety, fields and courts, vegetation, ADA accessibility, on-site amenities (i.e. drinking water, bathrooms, seating, shade structures)**

Bathroom, coffee shop, seating (think Bryant Park in NYC). Movie nights too.

Enough fields - work on other things. All of the on-site amenities are nice.

Nothing

It would be amazing to explore more about the outdoors in all 4 seasons. Plus have bathroom access so we don't have to race home after 30 minutes.

It's too hot to hang out for long in the summer! Way to sunny & hot, not nice facilities for bathroom.

Would love drinking water access and seating. Would like shelter for hot days. Places for picnics. Lights on walking path.

The playground at B. Everett Field is outdated and non-ADA compliant. Turf field with lights would allow multiple sports to maximize opportunity and scheduling. An outer walking path would be a great addition; replace the tennis court/volleyball area with pickleball, a small skate park, bathrooms and a field house for storage. A snack bar for games to be run by the teams playing.

On-site amenities need to be updated (bathrooms especially)

Park amenities need walkway

The town needs additional turf fields. Most towns have several. They only turf available is the HS field and it's currently shared amount far too many teams.

Should have permanent rest rooms, & Hanover day fair / rides should not be so crowded - the rides should be separated more to utilize more of the space of the open fields

Updated playgrounds, safer access, upgraded grounds, bathroom and resting benches

The existing playground is not appealing. It's not ADA accessible and tired. The whole site could be so much better with better planning - hopefully this is a good start.

Open bathrooms

Bathrooms would be great along with water station

All would be good. Shaded structure, seating, bathrooms, Drinking Water

sustainability! Mitigation of stormwater runoff, shade trees for temp control, maybe a dedicated dog area so they don't run/ crap all over the place

On site shade for sure, benches to sit, a place to get food, ice cream etc

Safety bathroom shade water fountain

lighting/lampposts

All of the above are important

"The fields and courts need to be updated. This will give kids more access to play on nicer facilities other than forge pond park.

Bathrooms need to be updated/installed"

Drinking water, bathrooms, seating

Community garden?

Be nice to have more games played there not just practices. Shade structures would be nice. Pickleball courts. Make sure residents have access to all areas.

Bathrooms needed. Expansion of playground more tables and a shaded area

There should be a better path from the parking lot to the street hockey rink.

New playground updates. New courts. Durable basketball hoops

Bathrooms that are open to public

Parking bathrooms

Fields and courts

This space is so important for our youth sports community!

The park has no character and no purpose. It's run down and the facilities need significant upgrades.

The entire area is so nice to have. It is in a

Basketball courts, rink, maybe pickle ball, bathrooms, playground, safe parking

The football shed is old needs some renovations.

Fields

Bathrooms are a necessity / shade is a necessity

ABSOLUTELY NO DOG PARK!!! Look at Scituate....horrendous! Disgusting!

Seating

Youth football needs a home. That space needs to be big. The field(s) there have worked without issue for years. Please highly consider this. Also, the youth football practice fields need better lighting.

On-site amenities and parking/car safety, not overcrowded with outpouring of people from other towns

Sylvester field is home to one of two Babe Ruth fields in town. It is imperative it remains!

Amenities, bathrooms, stands, shade, better fields

N/A

Fields, court, bathroom

Fields and courts

none

Could be Hanover's Town Common if it were designed to include more elements besides sports fields: water feature,

great location. I wish to see it with a makeover and show pride of Hanover for everyone that drives by or actually uses it

Ellis, myrtle and forge are great but there is limited baseball fields with full size(high school) diamonds. Only Sylvester and middle school both of which are somewhat embarrassing when hosting other towns who have large complexes supporting all age level fields

NA

Bathrooms would be great. Updated playground. Also it would be nice if they were cleaned more frequently.

Community Gathering Amentities

"I would love for the park to be more

Accessible for families with special needs children. "

Stroller friendly, bathrooms, leashed pets (but prefer no pets), playground

Bathrooms, seating, shade structures

Would be great to completely update this area, providing additional space for our community to do all the things.

Dugouts, scoreboard, closer back stop, bathrooms, safer playground

Walking/ bicycle paths

Baseball Field with Lights, Multi-use synthetic turf field with Lights

Need to get side walks on silver street. Also bike lanes throughout town would

interesting planting, a space for public performances, bathrooms

Clean bathroom with drinking water

The baseball field really needs improvement

It's such a wonderful central location, I'd love to see, if possible, a water feature, benches paths to walk along, passive rec. I think there's plenty of fields at ForgePond and we don't need them at Everett anymore

Fields and playgrounds. Basketball courts too busy at night

Courts

More landscaping would be nice - it looks like an eyesore!

I don't really understand why we are looking to create some thing different here... We have forge palm park and I just can't see the benefit to creating a space that draws more traffic when it is already so hard to get through that area of 139. The baseball field should be improved. It would be great to have seating there and there should be practice spaces for the other youth programs in Hanover. I don't really understand why we need anything else.

Amenities, playground

Shade for parents. More benches in the shade at the playground. I also am glad that this is no longer used in the summer for Park and Rec. It is a good area to

be amazing and cut down on pollution. It's not safe to do either of these on Maine street etc

Having bathrooms would be amazing! More shade adjacent to fields, playgrounds, etc would be very helpful

on site amenities ; fields

There should be a crossing light there. Too dangerous for kids to cross the street . Lots of kids in my neighborhood , but dangerous to walk up there with no crosswalks on Spring st and no light to cross

There really should be a traffic light on 139 by the town hall that intersection is a nightmare. Would like to see more playground equipment installed to make a larger playground. Something like the Hingham Fire station playground maybe have picnic tables set up. Something low maintenance that will not need a large amount of taxpayer funds to build or maintain annually.

Vegetation

Definitely accessibility and bathrooms , seating and shade

Fields and courts

The playground needs updating it is the only one available in Hanover and is dated and dangerous. There is also no shade so impossible to go to on a hot day. It would also be great to have the tennis court in order so parents could play tennis while their kids played on the

gather with small children.

Additional seating & shade structures

The playground is horribly unsafe. Who manages the landscaping and trash pickup? Cause it ain't workin.

Pickleball

Pickle ball courts bathrooms! Dugouts for baseball scoreboard

The on site amenities listed above are definitely important. Forge Pond Park is lacking in shade structures and no playground.

The playground does get very hot on sunny summer days and could use more shade structures. It could also use some new equipment. The fields could use more sports nets to make them more useful.

Over all - I would like to see Hanover focus on other community building possibilities ( other than MORE dedicated sports fields ) addressing interests of folks that do not have kids or their kids are grown. AS mentioned several times - a Dog Park / Run would serve the community as would dedicated pickleball courts. TY

All above

Playgrounds needs to be updated for kids immediately

Shade structures/picnic area like at Center School

Vegetation

playground.

Build pickleball courts and start an association

the area is kind of a big waste as-is. the field is terrible. and the area towards the woods is a waste of space considering there is nothing there or unused. no amenities. the center school kids use it during the day but is it safe? the school itself is nice and I think they did a nice job with it.

A light or something to safely pull out of the parking lot, if we do build this into something more for the community then a bigger parking lot will be needed. Bathrooms, shade and seating would be nice and if sports will be regularly played there, then a concession stand since we don't get that at forge pond

Bathroom would be nice

playing sports at the fields, playground

Yes!!!! BATHROOMS!!! BATHROOMS are needed- a whole building like at Forge (baths and snack shack).

Parking, fields and courts, safety

Fields and courts

Community garden would be nice, too!

Bathrooms

I don't think we need a walking area we already have that with forge field.

Bathroom access could be better, would be good to have a fountain. We need

It should be visually appealing as it is a big part of our town center and sets the image of Hanover

LEAVE IT AS IS

Playgrounds, fields for sports

Playgrounds, open space for multiple uses, it should be a space the town and its people can use for multiple events - sports, town wide gatherings, open spaces, playgrounds and more!

We need to improve the baseball field and football practice facilities. No dog park.

Playgrounds and bathrooms

The survey is weird with lots of separation and options for best, losing ability to rank or prioritize use. Only looking at a single point in time. We've used these fields literally for all 22 years we've lived in town. My husband and I much longer. The utility is the value. Making it more attractive for longer periods for each group would be game changing. If we're not selling Sylvester we should make \$ on space with retail activity like school store, services for residents in one place with extended hours and a food/informal component. I just met friends at Brelundi in old Waltham Watch factory. Great use of awesome space.

Safety always comes first! I would like to see an improved playground.

An updated playground would be nice. I miss the old bandstand that had the field for seating. The new one is in an awkward space. I would like to see community

more sidewalks to make it safe for children to walk/cycle to this facility

Open access to restrooms, some shaded areas( not in woods) would be nice. Someplace for teens to hang with minimal time restrictions ( open late)

Drinking water, shade

On-site amenities

Seating and shade structure. Better fields and courts.

On site amenities

Restrooma

Parking is always important. On site bathrooms and shaded seating. Perhaps a pop up food areas that various groups can use to sell food for fundraising? Plenty of night lighting too.

Playground is getting run down. Courts are cracked, volleyball is overgrown. Doesn't attract people to gather. Picnic tables are broken. Area doesn't allow for extended visits, just short visits.

Clean, safe bathrooms

Drinking water/fountain and bathroom that are open would be fantastic!

Bathrooms and seating would be appreciated

Cannot stress enough- please at a play structure to forge pond park!

B. Everett served its purpose for recreational sports, but Forge Pond (despite not being in the center of town)

concerts and children's events outdoors offered.

Bathrooms, Pickleball, fields & courts, sidewalks

Playgrounds, fields, bathrooms,

Hanover day is an important component, creating connections to the rest of the town center, better signage and lighting, renewal of the playgrounds.

accessibility

I have young children who don't play sports in this area yet so my opinions are based more off of the!public playground area as that is where we spend most of our time when we are there.

Bathrooms

Bathrooms

More seating (benches), maybe more trees, bathrooms not sure as people tend to destroy them which is so sad. Also, the playground has been not kept too tidy as of lately.

All of the above - better maintained areas

Parking, Playground, Bathroom, Designated spaces

Fields and Courts (and a bathroom)

Forge is the better park, however it needs more parking during sporting events and it is lacking a playground.

Bathrooms. More seating and shade. More walking trails.

has better access, more parking, and has additional land that could be utilized for recreational needs.

Seating, shade, bathrooms

On site amenities would be great, parking is a concern, new gazebo should have never been put there, should be over where old one was, such a waste of space

As mentioned, the current bandstand is basically useless because of its awful location. Decent bathrooms would be nice and more trees and shaded areas would be great, too. More passive recreation and fewer team sports areas would be great. Hanover has outgrown the need to have team sports at B. Everett Hall Field ever since the introduction of Forge Pond Park.

Modern fields, courts, rinks for athletics. Along with improved lighting and more parking. On-site amenities would be a great upgrade as well. Ability to host different towns and tournaments in order to raise money to support the town.

Basketball hoops need to be updated, sanitation needs to be better, landscaping needs to be maintained

Inclusive playground, continued ability to have youth sports practice, the ability to host Hanover Day event

Shade would be a nice addition.

I look forward to seeing this spot redesigned to be more welcoming for all

Relocation of the baseball field

Bathrooms. The outhouses are terrible.

Need shade structure and bathroom

Rest room facilities

ADA, bathrooms , dog area and walking trail

Seating , walking, animal area

The playgrounds are outdated .

Restrooms!

Bathrooms, Seating, grills, Bigger Bandstand like their was before

I dont think much needs to change here good for the children and teens

Place for teens to gather and enjoy

Picnic tables

Seating and flower beds

The trash at the basketball court makes me sad each time I drive by.

Water, bathrooms, playgrounds that are safe with features for toddlers as well as older kids. The smaller Chile section still isn't very young toddler friendly.

See above.

On site amenities - water for humans & dogs, bathrooms, seating, shade. Community Garden space.

I think this should be a community space for different types of kids and families to

of the town not just those who play a sport. Trails and gardens and some nice spots for sitting or shade. A place for people to gather in nature without having to go into the woods. Thank you.

Amenities would be nice -- shade structures would be ideal. Right now it's barren and exposed.

Better turf and lighting for youth football!

Historical center and that should be accentuated and not lost

On site bathrooms and shade

Fields and courts

Fields and courts

On-site amenities, some seating and shaded areas for seniors

gather. Bathrooms are definitely a must. A beautiful playground, courts and skatepark for older kids. An improved baseball field that potentially the high school and babe Ruth teams could play at. The farmers market could be situated here as well.

A new vision for the area is needed. There is an opportunity to provide electricity, water, bathrooms, from the Sylvester school for large events.

Location has the opportunity to be a year-round centerpiece for outdoor activity. Other suitable locations for sports are/should be available across town

Bathrooms

Dog Park
